PumpPro

EnviroClean Solutions PumpPro is a powerful cleaner and degreaser designed specifically for fuel dispensers. The unique characteristics of PumpPro keep fuel dispensers clean and improve appearance.

- neutral pH – will not damage metals, plastic, rubber, glass, decals, paint
- cleans & degreases gasoline, diesel, fuel oil, dirt, grease & grime
- 100% biodegradable & non-toxic, eco-friendly
- improves audit scores, creates higher profits
- easy to use – spray, (scrub) and wipe!
