

BEGINNING CROCHET, ADULT PRIVATE CLASS DESCRIPTION

The Beginning Crochet Classes are two sessions, the same day and time for two consecutive weeks.

The first session, we will learn the following basic stitches:

- Slip Knot
- Chain
- Single crochet

Then we will have a week in between to practice, to make mistakes and "suspicious stitches"!

The second session, we will learn:

- Double crochet
- Slip Stitch
- How to work with both stitches (single crochet and double crochet), to create basic shapes, like flowers.

We will learn how to increase stitches, to crochet a flat circle, and then to create a volume.

This exercise is an introduction to work later with toys and baskets!

By the end of the second session, the students are ready to start a project!

Small projects are highly recommended. The sense of accomplishment is important because once your project is ready you can share your masterpiece with the world!

The cost of private classes is \$35/hour, plus materials. We will work for 2 sessions, 1.5 hours each session.
