

BEGINNING KNITTING, ADULT PRIVATE CLASS DESCRIPTION

The Beginning Knitting Classes are two sessions, the same day and time for two consecutive weeks.

The first session we will learn how to cast on and how to knit.

Then we will have a week in between to practice, to make mistakes and "suspicious stitches"!

The second session, we will learn how to purl, how to knit and purl creating different patterns, and how to cast off.

By the end of the second session, the students are ready to start a project, like cowls, scarves, hats, mittens, Christmas stockings and much more!

Small projects are highly recommended. The sense of accomplishment is important because once your project is ready you can share your masterpiece with the world!

The cost of private classes is \$35/hour, plus materials. We will work for 2 sessions, 1.5 hours each session.
