

BEGINNING SEWING CLASS DESCRIPTION

We offer 3 types of sewing class, each lasting 3 sessions for 1.5 hrs, the same day and time for three consecutive weeks.

- KIDS GROUP CLASS
- ADULT AND KID
- ADULT GROUP CLASS
- ADULT PRIVATE SESSIONS also available

GENERAL INFORMATION:

During the 3-session class, the students will learn:

1st SESSION

- The parts of the machine, how to thread it and fill the bobbin.
- They will practice with the machine, sewing different types of stitches and stitch lengths.

2nd SESSION

- The students will design their project, laying out the squares of fabric on their table.
- They will cut the back pieces of their project on the fabric, learning how to trace the pattern.
- The students will pin their pieces together and they will start sewing their project.

3rd SESSION

- The students will finish sewing all the pieces on the front and back, folding edges, sewing in a straight line, and lining their projects if necessary.
- The students will have assistance to iron their pieces before and during the sewing process.
- As an accent, the students will decorate the front of their project with hand sewn buttons.
