# WHY WE ARE DIFFERENT

Gredale PPE specializes in manufacturing and delivering goods under pressure and on time.

We are proud to introduce a level 1 isolation gown as set forth by the FDA during the Covid 19 crisis, utilizing raw textile materials sourced and assembled in North America only. This allows for a quicker deliverable of goods than sourcing from China while being competitive with the price.

## QUALITY CONTROL

Full time Quality Control and Logistics team at factory level

FDA and NIOSH approved products with supporting documentation

Offices in China and Los Angeles to ensure continuity

## PROVEN SUCCESS

10+ years of over 50 million parcels shipped

One of the official supplier for major US retailers to include Walmart, Costco, Nordstrom, Meijer and Macy's

Established partnerships with Global Logistic and shipping companies worldwide
