

PENRYN FIREFIGHTERS WANT TO KNOW...

Can We Find You In An Emergency?

Help Us, Help You!

Many homes in our area do not have a clearly visible address. This makes it extremely difficult and time consuming to find you when minutes count! A common misconception is that the fire apparatus can just follow the column of smoke. While this is usually true of large fires, it does nothing to aid us in locating the vast majority of incidents that we respond to.

Installing quality address signs will aid, not only, the fire district, but ambulance crews, law enforcement and others in locating you. Because quality address signs that meet the Placer County specifications are sometimes difficult to acquire, The Penryn Firefighters Association has begun selling these signs as a means of fundraising. You may order one or more of these signs by completing the attached order form.

About the signs:

- 6" X 18" aluminum panel with green scotchlite reflective background. Your address will appear on this green panel in white scotchlite reflective numbers (much like county road signs).
- The aluminum address panel is permanently attached to a 6' metal stake, which will be installed in the ground. Penryn Firefighters will install this sign at your home or driveway free of charge!
- The complete sign & stake are \$65.00 each. Please make check payable to "Penryn Firefighters Association" and allow up to 4 weeks for delivery.

If you have any questions, or would like to view a sample sign, please feel free to stop by the Penryn Fire Station located at 7206 Church St. or call us at (916) 663-3389.

THANK YOU FOR YOUR SUPPORT!
