

## Interested in an exciting career as a firefighter?

Become an Intern Firefighter with the Penryn Fire Protection District! Learn the ins and outs of the fire service while improving upon your skills as a firefighter and EMT. We have flexible schedules, weekly-held training, and plenty of opportunity to use the knowledge, skills and abilities you've learned (or want to learn)!

### **Requirements for the Intern Firefighter:**

- 18 years of age.
- Possession of high school diploma or GED.
- Valid California or county EMT-Basic certification, with current CPR/AED for the Professional Rescuer & Healthcare Provider.
- Availability to volunteer for three (3) 24-hour shifts per month, and able to attend Wednesday-night training sessions.
- Possess adequate physical fitness in order to fulfill the physically-demanding (and potentially hazardous) tasks that a firefighter would perform.

### **Application process:**

- Applications are available for print online at [www.penrynfir.ca.gov](http://www.penrynfir.ca.gov), accepted year-round.
- A written and physical agility test will be held year-round as staffing needs require, with successful candidates moving forward to interviews.
