Booking Requirements:

We at The Salon want to have you and your Bridal Party feeling and looking your best for your special day. In order to do so, we do have a couple of requirements:

- Anyone in the Bridal Party receiving services must arrive on time and ready for hair/makeup. This includes:
 - Fully dried hair washed no longer than 48 hours, preferably washed the evening prior to the event.
 - If a Salon Service Provider deems any guest unsuitable for hair i.e. arrives with wet hair, or hair not ready to be styled, there will be a \$15 base charge + \$1 per minute on top of their styling service cost in order to be properly prepared for the service. Please note that the final outcome may be altered based on the amount of time the preparation takes.
 - Cleansed skin ready for makeup application.
 - If a Salon Service Provider deems any guest unsuitable for makeup i.e. remaining makeup residue, there will be an additional charge of \$1 per minute on top of their makeup service cost to prepare for makeup application.

Without these above requirements being met, it may result in extra time and difficulty to provide the services. I understand that if myself or my guests come unprepared there will be additional charges, and potential changes to the achievable outcome.
