What is a Vision?

A. Vision is defined as the manner in which one sees or formulates a concept.

B. Characteristics:

1. A vision gives an otherwise complicated set of goals, one unified focus that is approachable but never truly attainable.

2. The Apostle Paul's description:
Philippians 3:13 -14

C. The high calling has to be the perfection that is Christ Jesus but knowing we cannot attain that perfection, we never cease from striving to be in His likeness.
