

WHAT DOES IT MEAN TO BE A DISCIPLE?

As the Apostle Paul describes in his writings, discipleship is all about following Jesus, learning from Him, and growing in our faith and understanding of God. It's about living a life that shows the love and example of Jesus. This means dedicating time to studying the Scriptures, praying, spending time with other believers, and helping others out of love. Paul really stresses how important discipleship is, encouraging us to follow His example as He follows Christ and to keep growing in our faith and connection with God.
