## Marilyn Monroe Case Study

Marilyn Monroe left the bulk of her estate to her acting coach, Lee Strasberg.

Lee and his wife, Paula, also one of her acting coaches, were like surrogate parents to Monroe.

When Strasberg died in 1982, his second wife, Anna, inherited the Monroe estate.

# TWO Documents Every 18-Year-Old Should Sign

## Health Care Agent or Health Care Power of Attorney

- Authorizes someone to make medical decisions on your behalf.
- Automatically gives that agent legal access to your medical records.
- In the same document, or a separate one called the living will, you can express your preferences about end-of-life care.

## Power of Attorney

- May be effective at time of signature OR activated by specific event, i.e., when determined incompetent.
- The problem with the “specific event” approach (known as a springing power), often requires a medical opinion.

Up-to-date versions of these forms for each state can be downloaded for free from [caringinfo.org](https://www.caringinfo.org).
