Accountability-First Plan for U.S. Aid to Ukraine

Rebuilding with Integrity and Transparency

Why This Plan Matters

Ukraine is fighting for its survival and sovereignty. The U.S. has supported Ukraine with aid, but taxpayers deserve to know exactly how their money is being used. Corruption and inefficiency must not stand in the way of rebuilding a free and independent Ukraine. This plan ensures that every dollar of U.S. aid is used effectively and transparently, while supporting urgent humanitarian needs and fostering long-term reforms.

Key Goals of the Plan

1. **Transparency:** Every cent of U.S. aid will be tracked and publicly reported.
2. **Accountability:** Aid will only be provided if Ukraine meets strict anti-corruption benchmarks.
3. **Empowerment:** Citizens—both U.S. taxpayers and Ukrainians—will shape and oversee rebuilding efforts.
4. **Humanitarian Focus:** Aid will prioritize immediate needs like food, shelter, and healthcare.

What This Plan Includes

1. Real-Time Transparency

- **Public Online Portal:**

A simple, easy-to-use website will show how every dollar of U.S. aid is spent. Taxpayers will be able to see:

- Total aid provided.
- How funds are divided (e.g., food, housing, infrastructure).
- Updates on projects funded by U.S. aid.

- **Quarterly Reports:**

Every three months, a detailed report will be released to explain:

- Progress made with U.S. aid.
- Any challenges or issues encountered.

- **Independent Audits:**

Aid spending will be reviewed every six months by independent experts. Their findings will be published for the public to ensure full accountability.

2. Reform-Driven Support

- **Strict Benchmarks:**

Ukraine must meet the following goals to continue receiving aid:

- **Within 6 Months:** Create a centralized anti-corruption registry.
- **Within 12 Months:** Prosecute at least 10 major corruption cases and establish an independent anti-corruption agency.
- **Within 18 Months:** Demonstrate significant reductions in government corruption and oligarchic influence.

- **Redirection of Aid:**

If these benchmarks are not met, U.S. aid will be redirected to trusted organizations like NGOs or local Ukrainian communities to ensure that funds still benefit the people.

Aid will bypass corrupt centralized systems and go directly to local Ukrainian communities for rebuilding schools, hospitals, and homes.

- **Focus on Essential Needs:**
Aid will prioritize:
