### The United States Constitution

Article II, Section 1 of the U.S. Constitution imposes only three eligibility requirements on persons serving as president, based on the officeholder's age, time of residency in the U.S., and citizenship status:

### U.S. Constitution - Presidential Candidate Eligibility

"No person except a natural born Citizen, or a Citizen of the United States, at the time of the Adoption of this Constitution, shall be eligible to the Office of President; neither shall any person be eligible to that Office who shall not have attained to the Age of thirty-five Years, and been fourteen Years a Resident within the United States."

# A Global Call to Transform Education for the Future

Vincent Cordova's 2028 Presidential Campaign Announces the Formation of a [National Task Force](#) to Revolutionize Education

**Manteca, California** – Vincent Cordova, 2028 Presidential Candidate, is proud to announce a bold initiative to transform the U.S. education system through the establishment of a dedicated [Task Force on Educational Reform](#). This initiative reflects Cordova's unwavering commitment to ensuring that **every child**, regardless of their **zip code**, has access to the **tools** and **resources** necessary to **thrive** in the modern world.

"Education is not just the key to personal success; it is the foundation for a stronger, more equitable society," said Cordova. "Our current system leaves too many students behind. It is time to move beyond outdated methods and embrace a future where every child has the opportunity to excel."

### A Call for Global Participation

This initiative goes beyond national borders. Vincent Cordova's campaign recognizes that education is a universal issue requiring collaboration and shared innovation. As part of the Executive Order, the Task Force will:

- Collaborate with international education leaders to identify global best practices and adapt them to the U.S. context.
- Facilitate cross-cultural exchanges between educators and students to foster understanding and innovation.
- Launch a global online platform for educators, parents, and policymakers to share ideas, case studies, and success stories.
- Host an annual international education summit to evaluate progress and refine strategies.

This global focus ensures the U.S. remains at the forefront of educational innovation while fostering partnerships to address shared challenges. As part of the Task Force's mission, we are issuing a global call to educators, parents, policymakers, and innovators to contribute their ideas and solutions.

Cordova's vision includes:

- **Gathering Global Best Practices:** Collaborating with top-performing education systems worldwide, such as those in Finland, Singapore, and Canada, to adapt proven strategies to the U.S. context.
- **Promoting Public Input:** Launching a public portal where individuals can submit their ideas, share personal stories, and participate in surveys to shape the future of education.
- **Encouraging Innovation:** Inviting tech leaders, education innovators, and nonprofit organizations to bring forward creative solutions for equitable access and modernized curricula.

### The Task Force's Mission

The Task Force on Educational Reform will:

- Evaluate current educational models, focusing on both strengths and gaps.

- Develop actionable recommendations for integrating progressive philosophies with traditional academic frameworks.
- Pilot new initiatives in diverse school districts to ensure scalability and success.
- Address critical issues such as equity, digital literacy, financial literacy, and access to arts and extracurricular programs.

---

### An **Executive Order** to Ensure Accountability

Upon election, Cordova's first **Executive Order** will formally establish the Task Force, ensuring transparency and public accountability. The Executive Order will:

- Mandate quarterly public progress reports.
- Include diverse voices, including educators, parents, and students, in the decision-making process.
- Prioritize equitable funding and resource distribution.

"We're not just rethinking education—we're rebuilding it. And we need everyone's voice at the table," added Cordova. "This is a once-in-a-generation opportunity to transform lives and communities through the power of education."
