Dear Potential Sponsor,

Help us make a difference! Our kids need you more than ever!

If you are looking for a way to make a difference in a child's life, please consider donating to children that are working hard to better themselves and achieve their goals. All they need is a helping hand.

The Las Vegas Elite Runners (LVER) is a nonprofit organization that was formed in 2001. The team's primary mission is to provide an athletic alternative to youth who desire to excel in the areas of cross country and track and field while also enhancing their academics, mental and spiritual health. Through athletic competition and community service, our aim is to provide athletes with opportunities for educational scholarships and grants.

The Team consists of elementary, middle school, and high school aged students. They come from diverse, low, and medium income families that struggle with the financial requirements associated with their children participating in extracurricular activities.

Annual expenses include traveling regionally to Arizona and California and nationally as far as the east coast to compete against the nation's best in the USATF National Youth Outdoor Championships, USATF Hersey National Junior Olympic Track and Field Championships, and USATF National Junior Olympic Cross Country Championships.

Your sponsorship will help subsidize the following:

- 1. Training facility rental at Desert Pines High School and Pearson Community Center.*
- 2. Travel expenses and lodging; equipment; sports apparel; entry fees.*

A sponsorship/donation from you makes possible the success and continuance of this quality program and help our future Olympians achieve their dreams. Please review the enclosed Sponsorship Levels to determine your desired support.

For more information, contact Naomi Davis at (702) 612-7276 or readysetgo@lasvegaseliterunners.org. Please visit our website at www.lasvegaseliterunners.org.

Kind Regards,

Naomi M. Davis, President / Founder
