## PURCHASE AND INSTALLATION OF TRASH CONTROL DEVICES ON STORMWATER CATCH BASINS 2019

### OVERVIEW:

Currently there are about 300 catch basins throughout the city. Under this project, 138 catch basins will be retrofitted with ARS (Automatic Retractable Screens) and CPS (Connector Pipe Screens).

### BENEFITS:

Prevent debris and trash from entering the public storm drain system.

### FUNDING SOURCES:

- Environmental Cleanup Program aka Measure M
- 20% local cash match

 - New/Improved Drainage Infrastructure
