## **SOUTH BAMBAY LANE DRAINAGE IMPROVEMENT PROJECT – BROOKHAVEN, GEORGIA**

### **OVERVIEW:**

The construction of a new storm drain system that will address the runoff and flooding issues affecting South Bambay Lane, Carlton Place, Skyland Drive, and parts of Dresden Drive.

### **BENEFITS:**

- Increase of property values
- Significantly reducing flooding in area of concern
- Providing foresight in accommodating future runoff from any future development
- Reducing mosquito havens

### **FUNDING SOURCES:**

- City of Brookhaven

- Flood Mitigation
- New/Improved Drainage Infrastructure
