The leading force in Louisiana implementing and connecting the little free pantries across the state to fight against hunger insecurity.

## Start a little free pantry in your community

Help your neighbors in need and challenge your community to give back!

### Startup checklist:

Things to think about when you get ready to start a little free pantry.

- **location:** (it is important to find an accessible spot and get approval to put a LFP there)
- **sponsorship:** (the individual or group that sponsors the build of a LFP through this initiative will be recognized with a plaque on the pantry sponsored)
- **support:** spread the word so those in need can receive and those blessed can give

To start a little free pantry through this initiative contact us for more information by **email:**
