December 18, 2022

Dear Friends:

Edwin and Nancy Cahill, the Founders of Mercy and Caring Children's Homes and their successors, Ed and Cheryl Hickey need your help to welcome 20 new children.

As there is enough staff and space available in the 3 dorms on the ten acre MCCH site for more children, it is our joint desire to bring in 20 more new needy children. The social worker, local Chief, neighbors, our Centre Manager, the Kenyan Board and the District Children's Officer (who represents the government) choose which 20 will come. While this team is selecting the neediest children it is our part to provide for their start- up costs as listed on the reverse.

If you would like to help us, we need to raise the $6,816 by December 27, 2022. If you donate now, you will get an income tax receipt for 2022. We are still blessed in Canada to be able to claim donations to Registered Charities, as ours is, to help reduce the amount we end up paying on our income tax.

But the bigger reward is the joy of giving, knowing that a precious destitute child in Kenya is receiving food, shelter, clothing, on site primary schooling, treatment when sick and daily Christian love as they also learn to "sing and pray and then obey, the B-I-B-L-E". Imagine giving a child this gift.

Love, Edwin and Nancy Cahill

Please make your cheque payable to MCCH and mail it to 11-2023 Winfield Drive, Abbotsford, BC V3G 1K5 or call Nancy (778-344-4642) to pick it up as time is running out.

To donate online go to our updated website: www.mercyandcaringhomes.org
or make an e-transfer to encahill@yahoo.com (Nancy will get your donation to our MCCH treasurer for a 2022 receipt)

or use Canaada Helps and choose Mercy and Caring Children's Homes as the charity to which you want to donate.

THANK YOU AND HAVE A BLESSED CHRISTMAS AND HAPPY NEW YEAR.
