

Year end is drawing near, and so is income tax time.

As the New Year at Mercy and Caring Children's Home in Kenya begins shortly, we welcome five **new** children, a new principal, a **new** cook, a **new** matron, **new** school uniforms, **new** Christmas clothes & for some, **new** black shoes.

We value **old** friends like you who pray and support the innocent children born into poverty on the other side of the globe. In BC, we are 11 hours behind Kenya. THANK YOU for all your kind donations that help us feed the beautiful precious children God has loaned to us, each made in the image of God with unique personalities and talents, and all for His great purposes.

Some donors have blessed us with their year end giving, but if there are others who still want to take advantage the opportunity we have in Canada to reduce income tax because of receipts showing donating to registered Canadian charities like ours, please go to [Donate now](#) or call our treasurer James at **1-778-2415880** or Nancy at 604-870-0352 to make a credit card donation. Cheques to the address below made out to MCCH post-marked by Dec. 29, will also qualify for a 2016 tax receipt.

TOGETHER WE MAKE A DIFFERENCE

We can hardly wait to see all of our wonderful Kenyan children again, and we are also excited to be traveling with Candice and Trevor Engh from our Canadian Board. Please pray for wisdom and safety for the 4 of us as we fly to Kenya early Jan. to early Feb, 2017. Thank you.

With our prayers and blessings for a New Year of His pleasure,
Edwin and Nancy Cahill
Our Kenyan and Canadian Boards,

the staff and the 89 registered children
