

It is with great enthusiasm I endorse Tom Stringer for the position of President elect from SESAUS for 2019.

His accomplishments in state, sectional and at the national level for Urology have been written by many others which I do not need to reiterate at this time.

I have known Tom since my residency days. I was searching for a job and had interview with him. He has been a great friend and a role model for me since then for nearly 30 years that I have practiced in Florida. My only regret is that I did not join his practice.

His leadership in various organizations, commitment to house of urology, personality and character will serve him well as the president of AUA.

Yours sincerely

Kevin K Lee MD FACS  
President Florida Urological Society  
SES representative to AACU
