Why The Platinum

Pilates Gym?

50% of over 65's experience, falls. Poor physical fitness can lead falls to cause serious injury, longer healing times, decreased independence and quality of life and, for your company, increased operational costs. Work with us to improve your residents strength and fitness, maintain their independence and keep falls from increasing your business costs.

Our Comprehensive Services

- Consultation and design
- Install and launch
- Management, staffing and day-to-day running of classes and tailored programmes

The Pilates gyms are tailored specifically for older adults, promoting active aging and creating a vibrant and thriving community.

Invest in Wellbeing

Investing in a Platinum Pilates studio is an investment in the health and happiness of your residents. Our services promote physical wellness, social interaction, and a sense of community. Our bespoke Pilates gym solutions are designed to enhance the appeal of your retirement community, providing residents with access to premium fitness and wellness facilities.
