AIM to Prevent

Heart Disease – The Leading Cause of Death

Did you know that cardiovascular disease affects 1 in 20, accounts for 1 in every 5 deaths and kills 1 every 33 seconds in the USA. Certain ethnic groups such as Asian Indians have higher incidence and more severe presentation compared to the general population.

Research shows that lifestyle change alone may prevent **93%** of diabetes and **79%** of heart attacks!

Introducing AIM to Prevent

Do you have high cholesterol, high blood sugar, or family history of heart attacks? Do you want to lose weight and improve blood sugars or blood pressure?

AIM to Prevent is an engaging yearlong program to prevent chronic disease with comprehensive screening and facilitating risk mitigation with lifestyle intervention and personal heart health coaching.

At the core of AIM to Prevent is the simple, powerful technology of **MEDS** – Meditation, Exercise, Diet, and Sleep that enables sustainable lifestyle changes.

What Our Participants Say

The South Asian Heart Center has not only brought awareness regarding heart health to the South Asian community, but put in place tools that would help find risks and manage heart health.

The dedicated staff, volunteers and nutritionists at the Center always follow-up and help put together a diet and exercise plan that fits individual needs. We have seen clear improvement in our numbers by making heart healthy changes to our lifestyle.

Dear Friends,

On the auspicious occasion of Diwali, I extend my heartfelt wishes to all those celebrating here in the United States and around the world.

Diwali, the festival of lights, is a celebration of hope, renewal, and the victory of light over darkness. It reminds us that even the smallest diya can dispel the deepest shadows - just as kindness, unity, and compassion can brighten the world around us.

As members of the Indian diaspora, this festival holds special meaning. It is a time when we reconnect with our roots, share our traditions with the next generation, and come together as one community to celebrate the beauty of our culture. The glow of diyas, the joy of togetherness, and the warmth of shared smiles bring to life the true spirit of Diwali.

At UIANE, we are proud to be a part of this celebration bringing families and friends together through cultural events, community service, and shared experiences. Our Diwali celebration is not just a festival; it is a reflection of who we are — vibrant, diverse, and united by a deep sense of belonging.

I would like to express my gratitude to our President, Aanch Jain, the Executive Committee, Board of Directors, Advisors, and our wonderful volunteers for their dedication and hard work in making this event a grand success. Your energy and teamwork truly keep the light of UIANE shining bright.

May this Diwali bring you and your family abundant joy, peace, health, and prosperity. Let us continue to spread the light of love and togetherness throughout our community and beyond.

Wishing you all a very Happy and Prosperous Diwali!

With warm regards,
Aanch Jain
President
