AIM to Prevent

Heart Disease – The Leading Cause of Death

Did you know that cardiovascular disease affects 1 in 20, accounts for 1 in every 5 deaths and kills 1 every 33 seconds in the USA. Certain ethnic groups such as Asian Indians have higher incidence and more severe presentation compared to the general population.

Research shows that lifestyle change alone may prevent **93%** of diabetes and **79%** of heart attacks!

Introducing AIM to Prevent

Do you have high cholesterol, high blood sugar, or family history of heart attacks? Do you want to lose weight and improve blood sugars or blood pressure?

AIM to Prevent is an engaging yearlong program to prevent chronic disease with comprehensive screening and facilitating risk mitigation with lifestyle intervention and personal heart health coaching.

At the core of AIM to Prevent is the simple, powerful technology of **MEDS** – Meditation, Exercise, Diet, and Sleep that enables sustainable lifestyle changes.

What Our Participants Say

The South Asian Heart Center has not only brought awareness regarding heart health to the South Asian community, but put in place tools that would help find risks and manage heart health.

The dedicated staff, volunteers and nutritionists at the Center always follow-up and help put together a diet and exercise plan that fits individual needs. We have seen clear improvement in our numbers by making heart healthy changes to our lifestyle.

A message from Mayor of Newton, Marc C. Laredo

The lights of Diwali are a powerful reminder that together we can shine a light to carry us through the darkness. Even in the most challenging moments, there is always a way forward when we join hands as a community. To me, that is one of the most meaningful lessons of this beautiful celebration.

Here in Newton, we come from different cultures, faith traditions, and backgrounds, but we share so much more than we sometimes realize. We share the bonds of community, the joy of celebrating together, and, importantly, we share our hopes and dreams for our children and grandchildren.

Thank you to the United Indian Association of New England for sharing Diwali with our Newton community each year. Your dedication helps weave this festival into the rich tapestry of traditions that make Newton such a special place to call home.

May the lights of Diwali bring joy, peace, and hope to you and your families.

Happy Diwali!

Message from the Indian Consul General, Boston
Shri Raghuram S.

It gives me immense pleasure to convey a Happy Diwali/Deepawali to all those celebrating the festival. This is a special time of the year when Indians world over get together with their family and loved ones to celebrate this wonderful festival of light. United India Association of New England has been at the forefront of celebrating the rich Indian cultural heritage and enabling the younger generations to be fully aware of these rich traditions as well as learning to enjoy them as part of the festivities. I commend and appreciate the exemplary cultural work being done by United India Association of New England and its leadership.

Wishing you all a very happy Diwali/Deepawali once again.

President Message

Diwali Celebration 2026

Namaste and a very warm welcome to everyone!

It gives me great pleasure to welcome you all to our Diwali Celebration. I am truly honored to celebrate this beautiful festival of lights with all of you.

Diwali is much more than a festival. It is a celebration of hope, happiness, togetherness, and the triumph of light over darkness, knowledge over ignorance, and good over evil. The glowing diyas remind us that even a small light can make a big difference in the world around us.

This celebration is also an opportunity to bring our community together, strengthen friendships, share our rich cultural traditions, and pass our heritage on to the next generation.

I would like to express my heartfelt gratitude to our organizing committee, volunteers, sponsors, participants, and everyone who has worked so hard to make this celebration possible. Your time, dedication, and generosity are what make events like this so special.

A special thank you to all of you for being here and supporting our community.

As we celebrate Diwali, may the lights of this festival bring peace, prosperity, good health, and happiness to you and your loved ones.

Let us celebrate the spirit of unity, diversity, friendship, and community.

Wishing you and your families a very Happy Diwali!

With warm regards,

Dr. Neela Gandhi, President,
United India Association of New England
