

About Ollie

Beating the Odds... In More Ways Than One

Blind since birth and the son of immigrants, Ollie was raised here in West Covina since age 4. He defied conventional wisdom of what was then considered possible or practical. In spite of being bullied as a child and going through other challenges, he eventually became an attorney, making a difference at the U.S. Department of Justice, the U.S. Department of Education, and the White House. For more than 22 years, he has worked successfully under both Republican and Democratic administrations. He has also held two presidential appointments and has devoted his life to public service.

The adoptive Dad to three Colombian-born blind triplet boys, all of whom earned the coveted rank of Eagle Scout, Ollie is the product of West Covina values – proud, strong, and determined. It's the West Covina way!

Elected to the West Covina City Council in 2022, Ollie has delivered sound leadership that continues to be grounded in integrity, hard work, and positive partnership!

Residents have witnessed his proven ability to get... things... DONE.

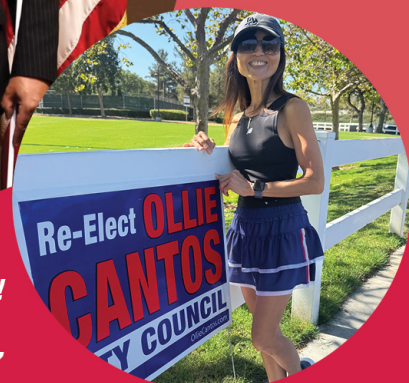

A true leader, fighting for YOU!

Government exists to serve the people and not the other way around.

As fellow residents, this is **OUR** community. We collectively shop at the same stores, eat at the same restaurants, send our kids to the same schools, enjoy the same parks and open spaces, and otherwise live our daily lives... together.

Four years ago, you sent me to City Hall to be your voice. I have been working tirelessly ever since, standing up for commonsense solutions, win or lose.

Because of our collective efforts — solidly built on trust, mutual respect, and **LISTENING** to residents — "Promises made, promises kept."

Lower homelessness, better parks, strong police and fire departments, successful collaboration with schools, thriving businesses, improved infrastructure, support for seniors, higher volunteerism via community service, and more.

Best of all, it is not because of what **I** did but rather because of what **WE** did! Driven by a genuine spirit of caring, I **KNOW** we can do more.

Our town is great, because we **MAKE** it that way. Driven and inspired by what we **KNOW** we can become, we may rise to be our best, building a future of which we may all be proud.
