RE-ELECT OLLIE CANTOS TO WEST COVINA CITY COUNCIL He will be our First Filipino Mayor in West Covina!

Hello Neighbor,

My name is Ollie Cantos, and I am honored to serve as your voice on the West Covina City Council.

Thank you for your vote four years ago and I ask for your vote on November 3, 2026 to continue to make our city, neighborhoods and families better.

My parents, Orlando and Linda Cantos, are from Batangas, and my Lolo was a former congressman in the Second District of Batangas there in the 1960s. My Mom and Dad came here to the States and had me in 1970. For each of us, along with our respective families, we have a compelling story to tell. We know firsthand what it is like to **tackle adversity head-on and to come out on top!** Whatever our occupations or areas of life focus are, we may individually **take pride in our shared Filipino heritage and our commitment to God, family, educational excellence, hard work, fortitude, and determination** — traits for which we are well known. We concurrently share the collective bond of solidarity, working in common cause to build one another up and to continue rightfully playing our roles in being active in the community and making a difference wherever we can.

When you elected me to the City Council four years ago, I jumped into finding solutions to your issues. I created community meetings on a regular basis to hear your concerns. I rode with and supported our public safety teams! Fire and police know I care about you!! They respond when you need them. I've taken the homeless problem on, and the results translated into a 59.1% drop in homeless counts from 133 in 2025 to 69 in 2026. I've cleaned up parks, opposed new taxes, and met with countless businesses to address security and success. **I've been the most accessible councilman in the history of our city, you can call me, day or night.** But the job is not done. With your vote we **WILL** continue to make **our neighborhoods** safer, our **city stronger**, and our **families more supported** than ever!

Beating the Odds... In More Ways Than One

Blind since birth and the son of Filipino immigrants, Ollie was raised here in West Covina since age 4. He defied conventional wisdom of what was then considered possible or practical. In spite of being bullied as a child and going through other challenges, he eventually became an attorney, making a difference at the U.S. Department of Justice, the U.S. Department of Education, and the White House. For more than 22 years, he has worked successfully under both Republican and Democratic administrations. He has also held two presidential appointments and has devoted his life to public service.
