

August Newsletter

Dear Friends in Christ:

This month we are using setting 5 out of the Blue Hymnal for worship—every Sunday at 9am.

July saw our Summer Camp come and go. This will be the final year for this program as registration was light. Thanks to Dawn and Cherie as well as our Girl Scout volunteers whom Alycia lined up.

We had a very good barbecue. While many of our people got there a little late, the rain showed up 15 minutes early—forcing us inside. We still had great food and good times. Thanks to the Men's Group for sponsoring it and for all who provided food and drink, cooked, baked, and came out for fun.

August brings Vacation Bible School for which the registrations are trickling in. The last day to register is August 7. We will be decorating that Sunday as things start to come back together.

Lifeline Screening will be here on August 25th.

Our Books of the Bible series will continue on Friday nights through August. Most likely we will finish the New Testament in August and leave the Old Testament for next Summer. Stay tuned.

Rally Day with the Blessing of Backpacks will be Sept. 11.

Have a Blessed Month of August.

John Shepherd McKenzie
