Australia (FIRLA)

23rd March 2019

Dear Potential Sponsor,

Queensland Italy played NSW Italy (been playing for over 10 years) in Innisfail. Queensland Italy played NQ Samoa on Saturday 6th October 2018 in Tully and will be playing NQ Samoa on Saturday 28th September 2019 again at Tully Showgrounds.

To qualify to play for Italy in the world cup you must be first, second or third generation (born, parent or grandparent born in Italy). To play Italian heritage here in Australia you can be fourth generation (great grandparent born in Italy)

Northern Pride have confirmed they will play our Queensland Italian under 21 side on Saturday 28th September 2019 in Tully. There will be a third heritage game that day with NQ Cook Islands who will play NQ Murri's. Furthermore, they could possibly be a fourth game Cairns DRL premiers playing the Townsville DRL premiers on the day/night in Tully.

We are currently sourcing potential sponsors for our under 21 side for the front of jersey sponsor for the team of \$2,000.00, shorts sponsor of \$1,000.00 and 17 top of back of jersey \$250.00 each sponsor (number 8 has been taken by Angela Arets from Tully Taxis) of the number of your choice.

This will be a two year sponsorship and will secure each sponsor 2 tickets to any Italian heritage games and your logo on our jersey, any correspondence and social media.

These games will be selection games for our Italian world cup qualifiers in Europe at the end of October beginning of November 2019.

Please contact myself on the below contact details if you are wanting to sponsor?

Growing heritage Italian rugby league in Queensland/Australia and the world.

Thank you,
