

Happy Hooping

Volume 1 Issue 6 October 2023 - Welcome to our sixth edition of Happy Hooping, your newsletter that will give you regular updates on what is happening around your club.

News from the September/October Committee Meetings

Quadway Hoops – the purchase of 6 sets of Quadway hoops were approved and are now here. Quadway hoops are used at most clubs throughout Australia, and it was felt that if our members are to be successful in Tournaments outside of the club, they need to be use to playing with these hoops. Our current hoops are also showing signs of wear.

New Members

We are pleased to welcome our newest Full Member Jane Dempster and Associate Member Megan Reynolds to our club. We wish them both years of happy hooping and meeting new friends.

Club Mallets

The Committee would like to inform everyone on the policy of Club Mallets. We are very fortunate to have a good number of mallets that over the years have been donated to us or the club has purchased them purely for our members to use on playing days at the club. No mallets are to leave the club and none of the mallets are to be sold at any time. Thank you for your understanding.
