120th year Celebration Saturday 26th of October

We will be having a celebrational cake and cuppa at 1.00pm before we play, after our play finishes, we hope you will join us for a BBQ. Please put your name down as soon as possible if you intend to join us.

Club Awareness

We have had the misfortune of a person cutting the fence and breaking into the club, stealing one of our member's electric bikes. We will now be locking the front gate once play has started. If you do bring any items of value down to the club please be aware that they are your responsibility.

Southwest Pennants

Both the B Grade and C Grade teams are performing very well.

B Grade have played all their matches, and are 3 wins, 1 loss, Dunsborough are 2 wins, 1 loss with 1 game against Bunbury Central to go.

The C Grade are 2wins 1 loss and face Dunsborough next week which will decide the winner of the C Grade. Good luck to all the players.

Retravision Country All Stars

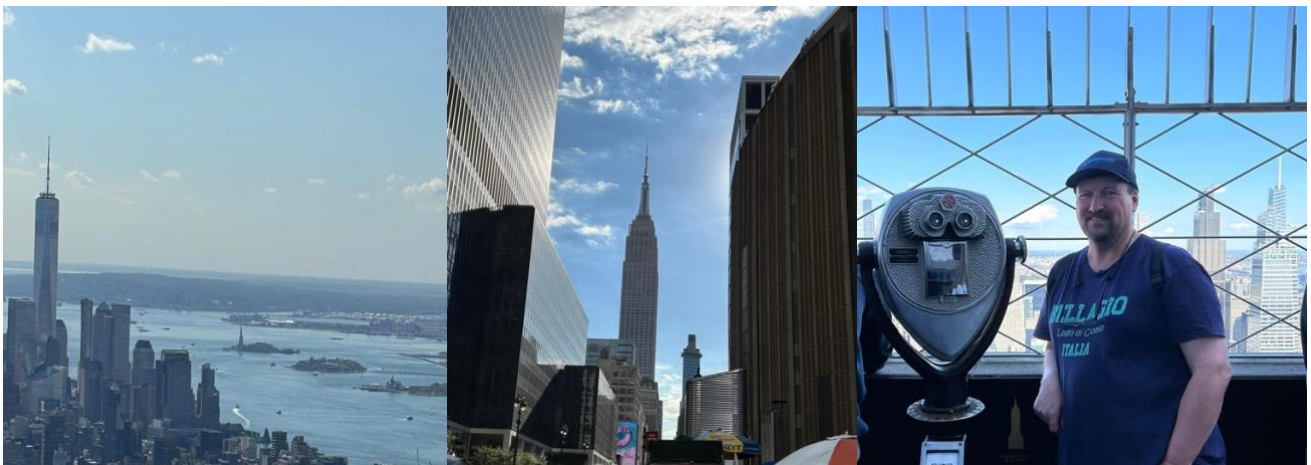

So far, we have 20 entries from Country clubs around the Southwest over the 3 grades.

This is a good opportunity for our members to play against fellow country players in your grade and gain some valuable experience. If you are thinking of entering pay Lesley or see Rob before its too late. We will also be having a dinner on Saturday night so come along and have a drink and chat with the other country players.

Gary and Caroline in New York

On his way to the Worlds GC in Virginia, Gary had a few days enjoying the sights of New York. Here he is on top of the Empire State Building with views towards the Statue of Liberty. Gary and Caroline will spend a few days in Washington before hitting the croquet courts. Click on the link below to watch the Worlds

You Can Help

Our wonderful members who jump in each playing day to set up the playing roster, need your help.

It is a thankless job and can be quite stressful in making sure games are even and individual requests such as I can only play X number of games are covered. They do an amazing job, and this is where you can help, please be there **20 minutes** before the starting times, make sure you put your name on the board (we do get the odd one who goes out to practice then realizes their name is not on the board when we are heading out to play) and of course sign in. These little things help the running of the day go smoothly.

I need a coffee,
a vacation and bag
full of cash.

THAT'S ALL.
