

# BETA SOLE FOUNDATION EMERGENT SCHOLAR PROGRAM

FOR IMMEDIATE RELEASE  
MAY 29, 2018

## **BETA SOLE FOUNDATION KICKS OFF ITS EMERGENT SCHOLAR PROGRAM WITH ITS FIRST CLASS OF STUDENTS**

**MT. PLEASANT, MI - MAY 16, 2018** - The Beta Sole Foundation has begun working with its first Emergent Scholar Program participants of Mid Michigan. While focusing on the three pillars of scholarship, mentorship and skill building, the foundation aims to provide students with guidance and resources to prepare them for educational and career related success.

The Emergent Scholar Mentorship and Apprenticeship Program kicks off this summer and allows student participants the opportunity to connect with professionals working in a career field of their interest. The mentorship program provides participants with an enhanced understanding of their chosen career path and direct access to resources within a lasting professional network.

The Beta Sole Foundation has received tremendous community support including that of the following sponsors: Limo Fun, Sound Productions, Water Works Salon, Spa, & Academy, Lake Trust Credit Union, Vital Neuro, LLC and CMURC. As an IRS approved 501 (c)(3) non-profit foundation, Beta Sole relies on contributions from generous individuals, grants and corporate donors to fund its mission to serve the high school students of the Mid Michigan area. In efforts to raise funds and engage the community, the foundation recently launched its 2018 summer raffle with a grand prize of a Las Vegas vacation for four. Raffle ticket proceeds directly benefit the students of the Emergent Scholar Program by providing continued programming for participants and scholarships for graduates that have completed the program.
