What is Sarah's Hope Foundation?

If you could save someone's life, would you? Of course, you would! Throw a lifeline to a woman in a crisis pregnancy situation by helping Sarah's Hope Foundation air beautiful, superior quality, 30-second TV advertisements.

There are over 50 Crisis Pregnancy Centers in the state of Kansas. Unfortunately many women about to have abortions don't even know that one exists.

The good news is that whenever we air pro-life TV ads in Kansas, calls from Kansas women to the crisis pregnancy hotline at PregnancyLine.com, 866-88-WOMAN (which is shown on the commercial) more than double.

Why TV? It works!

TV commercials have been credited for reducing abortions in other states. Respect life/respect women TV ads have been able to help reduce abortions by 46% in Michigan, by 35% in Missouri and by 40% Colorado.

Even though traditional TV viewing has dropped since the introduction of the internet and TV-connected devices, young adults age 18-24 still spend an average of 15 hours per week watching traditional TV.

What is Sarah's Hope Foundation?

Sarah's Hope Foundation was founded in 2001 and has been placing ads on television for 16 years. The amount of advertising we purchase each year depends on the monetary donations we receive, so the more you can help, the more advertising time we will be able to purchase!

Sarah's Hope Foundation is an inter-denominational Kansas pro-life group based in Wichita that will make a difference only if you help.

Our mission statement:

To promote as truth the value and dignity of every human life from conception until natural death through education in the mass media.
