[Chewing and biting] Using safe and healthy materials, dogs will be more secure when biting and chewing snacks.

[Waterproof] When the dog swims, throw the toy in the distance for the dog to retrieve. Interact and play with pets on the water to develop a tacit understanding with dogs.

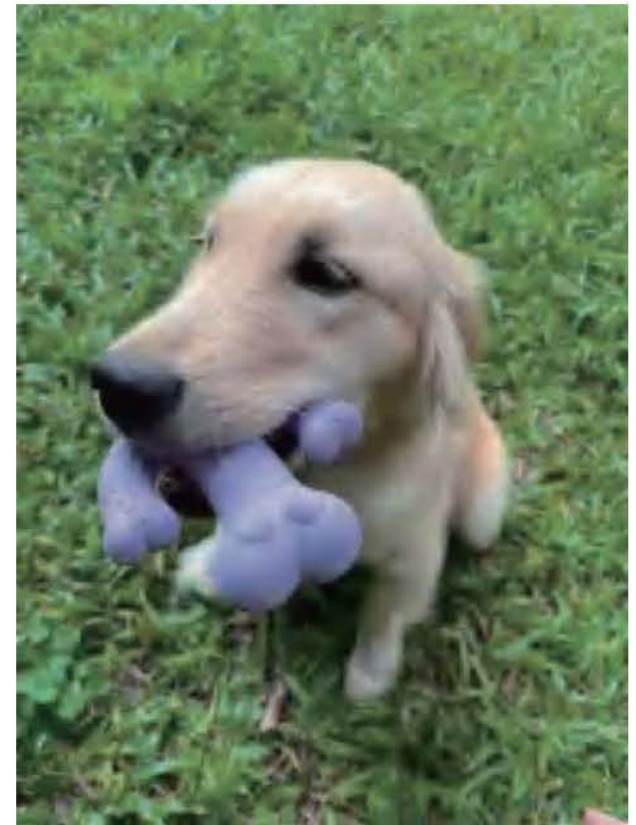

[Frisbee] Can be used as a frisbee toy. Throw the toy in the distance for the dog to retrieve. Circular motion, increase the dog's intelligence, exercise the dog's physical ability, enhance interaction with dog owners.
