Defendant(s)

Notice of Withdrawal From Online Hearing

Comes now ELIJAH CODNER the Defendant, by and through Jah Rastafari Malchizedek an Interested Person & C.E.O of Defendant, with this **Notice of Withdrawal From Online Hearing** for the Court to formally hear the Defendant's disputes & challenges to Plaintiff's false claim(s); And states the following: (1) Defendant does not understand the nature & cause of the claim(s) made against him; (2) Defendant seeks to know the court's intent in order to prepare defenses; (3) Defendant is not represented by the office of the Public Defender who is not a party to the Trust, and does not have lawful consent to represent Defendant; (4) Defendant was not properly informed or misinformed about the court's legal hearing & mediation process and chose to exercise his fourth constitutional right to be heard in a fair & speedy trial in accordance with 'due process' in a court of law instead.

Let the judge instruct the prosecutor to inform the court of such contract, to enter it into evidence and explain how Defendant is a party and compelled to perform under it. If the state/prosecution is not able to do so, Defendant moves this court to dismiss and have clerk reverse charges. Let hearing officer thereby give the order to the clerk to pay or repay all debt(s) from the Value of the Trust; and cause a new Trust to be opened on behalf of Beneficiary, with balance(s) from previous Accounts(s) turned over as Benefits to the new for the [real & living] beneficiaries of Trust.

Order to Dismiss

Comes now ELIJAH CODNER the Defendant, by and through Jah Rastafari Malchizedek an Interested Person & C.E.O. who is lawfully responsible and legally accountable for all claims made against the Defendant, with this Order to Dismiss for non-prosecution by state. The State cannot bring a criminal action in Admiralty law against Defendant under statutory jurisdiction because there is no granted authority by law, nor any established in the Constitution. And if the Court is proceeding with trial under Article 1, sec 8, clause 17, the State must have consent by way of lawful contract [in dispute] according to rules & procedures. Whereby, Defendant is not aware of entering into any international contract(s) and deny that such contract exists.

Defendant also states that this Court cannot move forward according to the constitutional laws, without the issue of personal and/or subject matter jurisdiction first being resolved.

Therefore, this Court is hereby given 7 days to cure issues, grant relief and notify all parties to the proceedings of the state's/court's disposition according to law.

ELIJAH SHANE CODNER

(Defendant)

Final Notice and Additional Information

Comes now ELIJAH SHANE CODNER the Defendant, by and through Jah Rastafari Malchizedek who is C.E.O. of the parent company RANDOLPH CODNER and who is lawfully responsible & legally accountable for all claims made against the Defendant, and who is fully competent to represent or speak as, for, over and in behalf of Defendant whose trust is in God, to notify the Court that Defense was barred from physically entering the public court room (see Exhibits #6) and then denied access from the Zoom hearings (see Exhibit #10). Defendant is placed in double jeopardy by court and since Defense is unable to make Special Appearances at the Broward County Courthouse on the date/time/room appointed to hear Case (see Exhibits #8) then Defendant's constitutional due process rights were violated. The Defendant made the necessary objections, demanded the right to know the court's intent and for the state/court to proof jurisdiction for more than 30 days to date, without response from court.

Court houses are considered sacred places to God because they are central to the administration of law and to the demonstration of the power thereof. For it is written: God is Judge (Psalms 50:6).

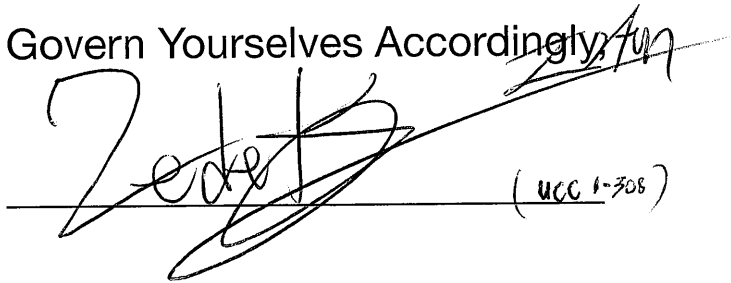

Let the Court note for the Record that, in prior incidents with similar jurisdictional issues (RE: Case # **16-8725-CF10A** - 17th Circuit of Broward County, FL & Case # **B-25-004273** - 11th Circuit, Dade County, FL) the courts dismissed charges; and right here & now the Defense is once again placed in double jeopardy because the State's charges challenges the US Constitution, to which all sworn government officials operate under by Oath with God's help before the LORD.

Whereas, in previous incidents the State's charges on account of Defendant (Case # **16-8725-CF10A**) which were based on the LORD's Judgement (issued by the Church as God's Warning/Threat/Alert to sworn officers) was paid for involuntarily through the time (7 years) held unlawfully in state custody. The Court failed to grant relief to Defendant, failed to order the State to restore or reinstate the Defendant for losses, pain & suffering. Unlike the state's system of injustice & lawless violence perpetrated by officials upon the innocent People, in demonstration the Defense has dedicated Broward county unto the LORD for Destruction in the most righteous & lawful Manner according to the Standard set by the God.

The Public Records kept by the clerk's office has all evidence showing details to the conflict of interests & constitutional violations (see Exhibits). Previous Case incidents were conjoined for the courts to enter similar disposition orders when the State failed to provide sufficient evidence or respond appropriately. In law silence amounts to acquiescence, and estoppel by silence acts as a legal doctrine when appropriate.

You are hereby given three (3) working days to make all the necessary corrections, amends and release/return property to rightful owner in accordance with Law. Failure to comply with this lawful Order by 7-1-2026 will be considered as forfeiture or 'waive of rights' resulting in your complete forfeiture of God's blessings, life eternal & salvation from the Judgment rendered.

Govern Yourselves Accordingly
