### **Order to Dismiss**

Comes now ELIJAH CODNER the Defendant, by and through Jah Rastafari Malchizedek an Interested Person & C.E.O. who is lawfully responsible and legally accountable for all claims made against the Defendant, with this Order to Dismiss the above Case(s) for Court's lack of jurisdiction and State's failure to produce consent from Defendant to participate in hearing(s). The State cannot bring a criminal action in Admiralty law against Defendant under statutory jurisdiction because there is no granted authority by law, nor any established in the Constitution. And if the Court is proceeding with trial under Article 1, sec 8, clause 17, the State must have consent by way of lawful contract [in dispute] according to rules & procedures. Whereby, Defendant is not aware of entering into any international contract(s) and deny that such contract exists.

Let the judge instruct the prosecutor to inform the court of such contract, to enter it into evidence and explain how Defendant is a party and compelled to perform under it. If the state/prosecution is not able to do so, Defendant moves this court to dismiss and have Clerk reverse charges. Let the judge thereby give the Order to the Clerk to pay or repay all debt(s) from the Value of the Trust; and cause a new Trust to be opened on behalf of Beneficiary, with balance(s) from previous Accounts(s) turned over as Benefits to the new, for the [real & living] beneficiaries of Trust.
