- Social media
- Sharing photos within client base e.g dogs playing and engaging in activities with each other.

Your dog(s) will be participating in various activities, play, and fun enrichment experiences while attending Bow Wow. We often take photos of dogs individually to send to clients if your dogs are boarding with us.

Social media is a great way to keep you updated on important information while allowing you to see the fun experiences your dog(s) are enjoying.

Please indicate below if you give us permission to use your dog(s) photos on social media

I GIVE permission to take and use my dog(s) photos for reasons listed above.

I DO NOT give permission to take and use my dog(s) photos for reasons listed above.

I ONLY GIVE my permission to post photos / videos of my dog(s) in a closed / private group e.g Facebook / Instagram / Whatsapp (These groups will only be for our current clients at Bow Wow)
