One Single Revita Core Session

Terms & Conditions

By enrolling in the Revita Core Maintenance Membership (“Membership”), the client (“Member”) authorizes Cleveland IV Hydration and Wellness Center (“CIHWC”) to keep a valid credit card on file and charge it automatically on the 1st day of each month in the amount of seventy-five dollars (\$75). Each Membership includes one (1) Revita Core session per month. Enrollment in the Maintenance Membership requires the Member to have completed a minimum of six (6) Revita Core sessions as part of the initial protocol prior to signing up. Sessions must be used within the month and do not roll over. A minimum two (2) month commitment is required. After this initial period, the Membership will continue month-to-month until canceled. Cancellations may only be made by the Member in person or by direct phone contact with a CIHWC staff member; text messages, emails, voicemails, or social media messages will not be accepted or honored as cancellation. Membership fees are non-refundable once charged, and unused sessions cannot be credited, refunded, or transferred. Membership sessions are non-transferable and may only be used by the Member listed on the agreement. The Member acknowledges that Revita Core therapy is a wellness service and not a medical treatment, and releases CIHWC, its staff, and affiliates from liability for adverse effects except in cases of gross negligence or misconduct. CIHWC reserves the right to amend membership pricing, terms, and policies with 30 days’ advance notice.
