## Service Report

**Date:** March 29, 2024

**Aquatic Tech:** Jim Charles  
Justin Powers

**Client:** Coastal Oaks at Atlantic Beach

**Waterways:** Four ponds and Creek

**Pond 1:** Pond was in good condition. The water level is good. Treated for minor alligator weed and pennywort.

**Pond 2:** Pond was in good condition. The water level is good. Last months' treatment for algae and Chara had good results.

**Pond 3:** Pond was in good condition. The water level is low.

**Pond 4:** Pond was in good condition. The water level is low.

**Creek:** Creek was in overall good condition. Treated the base of the creek as scheduled quarterly.
