in line with the 2nd Quarter National Simultaneous Earthquake Drill, reinforcing the province's proactive approach to disaster risk management.

The activity brought together key responders and stakeholders from various government agencies, including the Office of Civil Defense (OCD), City Disaster Risk Reduction and Management Office (CDRRMO) of Carmona and Municipal Disaster Risk Reduction and Management Offices (MDRRMO) of

Silang and General Mariano Alvarez (GMA), as well as representatives from the Office of the Provincial Engineer (OPE), Office of the Provincial Health Officer (OPHO), Office of the Provincial Social Welfare and Development Officer (OPSWDO), Department of Education (DepEd), Department of Social Welfare and Development - IVA, Bureau of Fire Protection (BFP), Armed Forces of the Philippines (AFP), Philippine National Police (PNP), and the Philippine

Coast Guard (PCG). Also present during the activity was OCD Region IV-A Regional Director Carlos Eduardo Q. Alvarez III, who delivered an inspirational message underscoring the importance of preparedness, collaboration, and continuous learning in minimizing the impact of natural disasters. He commended the Provincial Government of Cavite and all participating agencies for their dedication to strengthening local disaster response mechanisms. The

exercise was structured into three key modules. The first module, Initial Response and Guidelines, focused on activating emergency protocols, facilitating information flow, and rapidly assessing initial damages and casualties immediately after the earthquake. The second module, Response, emphasized inter-agency coordination, deployment of resources, maintaining communication lines, and real-time situational reporting in a dynamic emergency environment.

The final module, Review, provided a platform to evaluate the activity, identify operational gaps, share best practices, and recommend strategies to enhance the province's earthquake preparedness and response systems. Through the simulation, participants assessed the effectiveness of current contingency

plans and strengthened coordination among response units in the event of a major seismic event. The TTX also served as a vital step in enhancing Cavite's overall disaster resilience by identifying challenges and crafting proactive solutions to mitigate the impacts of large-scale earthquakes.---JDP

Officer-in-Charge, and Atty. Rodolfo Uy III – Provincial Administrator congratulated the LGUs who worked hard to achieve the elusive award and lauded their valuable effort as child rights advocate.

BM Enriquez added in his remark that the Provincial Government of Cavite will remain proactive in providing support to the children and youth sector.

Meanwhile, Mr. Joseph Ryan Geronimo – Cavite DILG Representative, stated that they encourage all LGUs to pass and achieve the SCFLG, as it demonstrates the dedication of a local government unit to improve the quality of life of children.

In closing, Mr. Enad Diaz, City of Carmona LCPC Focal Person, expressed his gratitude, saying “Ang tagumpay na ito ay simbolo ng mahusay na pamumuno

at maayos na pamahalaan. Ito ay patunay ng ating tunay na malasakit para sa mga kabataan sa pagsusulong ng kanilang karapatan.”

The highlight of the event was the awarding of plaque and sixty-thousand cash incentive to 18 awardees – (1) City of Carmona; (2) Tagaytay City; (3) City of Imus; (4) City of Bacoor; (5) City of Dasmariñas; (6) City of Trece Martires; (7) Cavite City; ( City of General Trias; (9) Municipality of Naic; (10) Municipality of Amadeo; (11) Municipality of Noveleta; (12) Municipality of Ternate; (13) Municipality of Rosario; (14) Municipality of Mendez-Nunez; (15) Municipality of Magallanes; (16) Municipality of Alfonso; (17) Municipality of General Mariano Alvarez; and (18) Municipality of Maragondon.---J.Reyes

at mga estudyante na sabik makita ang bagong pasilidad na magiging tahanan ng kanilang pagkatuto.

Ang bagong gusali ay bunga ng pinagsama-samang suporta at inisyatibo nina Senator Ramon “Bong” Revilla Jr., Congresswoman Lani Mercado Revilla, Congressman Bryan Revilla, Mayor Strike, Vice Mayor

Rowena Bautista Mendiola, at Vice Governor-elect Ram Bautista Mendiola.

Ayon sa school administration, ang nasabing gusali ay makatutulong nang malaki sa pagtaas ng kapasidad ng paaralan upang matugunan ang lumalaking bilang ng mga mag-aaral. Mas moderno, ligtas, at komportableng mga silid-

aralan ang naghihintay sa mga estudyante na siguradong magpapahusay pa sa kalidad ng kanilang edukasyon.

Ipinahayag din ni Mayor Strike ang kanyang kasiyahan sa proyektong ito, na aniya ay patunay ng pagtutulungan ng pamahalaang lokal at pambansa upang itaas ang antas ng edukasyon sa

Bacoor. Dagdag pa niya, “Ito ay pamumuhunan para sa kinabukasan ng ating mga kabataan.” Sa pagtatapos ng programa, nagpaabot ng pasasalamat ang pamunuan ng paaralan sa lahat ng mga naging daan sa pagkakatatapad ng proyektong ito—isang bagong yugto ng pag-asa at oportunidad para sa mga batang Bacooreso.

issued by a single authority, replacing the current patchwork of local IDs that make it hard to distinguish real from fake.

The new PWD ID will come in both physical and digital formats.

The physical card, which will be delivered within three months, includes an RFID tag and is designed with forgery-resistant materials.

The system will be linked with the National ID and e-verifier platforms for

seamless authentication. The initiative, backed by agencies like DSWD, DOH, DICT, PSA, and DILG, addresses the PHP88.2 billion tax revenue loss in 2023 from the use of fake PWD IDs.

Strict medical validation will be required for registration—visible disabilities may be assessed in person, while non-apparent conditions need certification from licensed specialists.

The DOH is also set to

release updated disability categories and certifying experts. Digital registration will be supported by LGU-based Persons with Disability Affairs Offices for those unfamiliar with online systems.

NCDA is also preparing training modules to guide

frontliners during the rollout. PWDs in pilot areas are urged to register and participate in the program to help ensure a smooth transition.

Establishments are also encouraged to continue honoring existing PWD IDs while the new system is being phased in.

Tolentino graced the event with her presence, extending her full support to the local arts community.

In her message, she expressed heartfelt gratitude for the overwhelming support shown to Cavite's local artists, stating that the province's wealth of culture and history is vividly reflected through artistic expression.

She proudly announced that the next Cavite Art Fair will be held in Tagaytay City, marking a new chapter in celebrating and nurturing the creative industry in the province.

Subsequently, Mr. Emmanuel “Manny” Garibay of Linangan Art Residency stated that the event is an

“intersection of culture, arts and history and the projection of what Cavite is”. Further, he emphasized the necessity of art in progressing and shaping a community, “Sa lahat po ng mga bayan na umuunlad, hindi po maaaring umunlad ito ng makabuluhan at masagana kung walang sining. Ang lahat ng mauunlad na bansa, ang pundasyon ay kultura, at ang pinaka naglalarawan sa kultura ay sining". As he ended his message, he gladly

thanked Gov. Tolentino for the effort and time in bringing the art fair to life.

A ceremonial ribbon cutting, led by Governor Tolentino, Mr. Garibay, and Mr. Henry “Bokeng” Ancanan of the Alitaptap Artists Community, marked the official opening of the exhibition. The governor warmly joined guests and art enthusiasts as they toured the gallery, taking time to appreciate the vibrant collection of artworks on display.

Aside from the featured creative pieces, the Cavite Art Fair displayed arrays of

goods and products of Cavite micro, small, and medium enterprises, which served as an avenue to expand their connection and marketing to the stakeholders.

On the last day of the fair, Ms. Elinia Imelda Rozelle Sangalang, Provincial Tourism Officer, extended their utmost appreciation to everyone who took part, supported and visited Cavite Art Fair 2025, stating “We hope that this activity has sparked the creativity and interest of the audience that could pave way to more creative endeavors in the future.”---J.Reyes

Cavite Chapter, Inc., upang matulungan ang mga Caviteño, lalo na ang mga taga-Bacoor, na makamit ang kanilang pangarap na magkaroon ng sariling tahanan.

Dumalo rin sa seremonya ang ilang opisyal ng lungsod gaya nina Board Member Alde Pagulayan, Councilor Noly Galvez, at Liga ng mga Barangay President Randy Francisco.

Mula sa hanay ng REBAP, naroon sina President CRB Mary Ann S. Chua, VP for Finance CRB Josephine F. Paez, VP

Internal CRB Eve Abapo, at Chapter Secretary CRB Flora A. Lares.

Nagbukas ang programa sa pamamagitan ng isang ceremonial ribbon-cutting at maikling programa kung saan tumanggap si Mayor Strike ng plaque of appreciation bilang panauhing pandangal at tagapagsalita. Sa kanyang mensahe, binigyang-diin ni Mayor Strike ang kahalagahan ng ganitong inisyatiba sa pagbibigay ng mas abot-kayang pabahay sa mga residente.

“Ang pagkakaroon ng disentang tirahan ay

hindi lang pangarap—dapat ay realidad para sa bawat Bacooreño,” ani Mayor Strike. “Ang lokal na pamahalaan ay patuloy na makikipag-ugnayan sa pribadong sektor upang maisulong ang mas maraming programang pabahay.”

Itinampok sa housing fair ang iba't ibang real estate projects, flexible financing schemes, at mga government-accredited developers na handang tumulong sa mga interesadong mamimili. Bukas ang exhibit hanggang Hunyo 21, at inaasahang

madaragdagan pa ang interes ng publiko sa pagkakaroon ng sariling bahay.

Layunin ng REBAP Cavite Chapter na itulak ang responsableng pagbebenta ng lupa at bahay habang tumutulong sa mga lokal na pamahalaan upang mapaigting ang serbisyo sa pabahay.

Sa pamamagitan ng ganitong inisyatiba, umaasa ang lokal na pamahalaan na mas maraming Caviteño ang nagkaroon at magkakaroon pa ng tahananang maipagmamalaki at matatawag na kanila.

# CvSU’s techno demo farm to strengthen agri innovation in Cavite

By Ruel Francisco

INDANG, Cavite (PIA) — The Cavite State University (CvSU) reaffirmed its commitment to agricultural innovation and education by partnering with the Department of Agriculture (DA) Calabarzon to establish an integrated Techno Demo Farm for research, training, and sustainable farming.

According to CvSU, the farm to be developed on a 1.3-hectare portion of CvSU’s STAR Farm in Indang, is expected to strengthen agricultural innovation and education by promoting sustainable farming practices, advancing research, and empowering local farmers and students with modern technologies and skills.

“The initiative also seeks to address pressing issues related to food security, climate-resilient agriculture, and the competitiveness of local farmers in an evolving agribusiness landscape,” CvSU said in a statement.

Under the partnership, CvSU and DA Calabarzon will collaborate in sharing knowledge and resources while implementing programs that promote sustainable farming technologies and agribusiness development.

These efforts will include instruction, research, extension services, and the monitoring and evaluation of activities, policies, and technologies related to the project.

“This partnership with DA Calabarzon aligns with CvSU’s mandate to conduct research and extension services, and to provide progressive leadership in agriculture, science and technology, education, and other related fields,” CvSU added.

Representatives from various national and local agencies, including the Bureau of Plant Industry, Bureau of Agricultural Research, Department of Science and Technology – Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development, local agricultural offices, and farmer cooperatives, were present at the launch held recently, underscoring strong multi-sectoral

support for agricultural development.

DA Calabarzon officials expressed optimism that the

partnership will facilitate the transfer of modern farming technologies and business practices to rural communi-

ties, addressing the challenges posed by outdated techniques and limited access to innovation. (RF, PIA Cavite)

## DENR: More infrastructure needed to curb plastic pollution

By Marita Moaje

The country needs more infrastructure for segregation, recovery, and recycling to properly address the growing plastic waste problem, the Department of Environment and Natural Resources (DENR) said Thursday.

“We need more support, public funds, and private sector’s resources and technical capacity to cover whole waste management services at the local government (LGU) level,” DENR Secretary Maria Antonia Yulo Loyzaga said during the Environment and Natural Resources (ENR) Day 2025 celebration in Makati City. Yulo-Loyzaga she issued a strong call for a united and urgent action against plastic pollution, citing the Philippines’ critical role in the global fight against environmental degradation. She emphasized that strong cooperation across sectors and communities is the key to solving the plastic crisis. “The rapidly increasing levels of plastic pollution represent a serious global environmental issue that has grave consequences to the environmental, social, economic, and health dimensions of our quest towards sustainable development,” Loyzaga said. She added that tackling plastic pollution demands a unified, bold, and science-based action, as it has also become a climate change issue, as most of the plastics used today are derived from fossil fuels.

Loyzaga said plastics release greenhouse gases (GHG) into the atmosphere, which degrade the environment when unmanaged. Based on studies, she said that by 2050, the GHG emissions from plastic could reach 56 gigatons, which she said is equivalent to 10-13 percent of the entire remaining carbon budget.

According to the UN Environment Programme (UNEP), plastic production has risen exponentially in the last decades, estimated to be at around 400 million tons per year, and this figure is set to double by 2040.

Loyzaga said the Philippines currently produces around 61,000 metric tons of solid waste daily, of which 12 to 24 percent comprises plastic. “Filipinos utilize, take note, 163 million plastic sachet packets, 48 million shopping bags, and 45 million thin-film bags daily. 33 percent of that waste finds its way into landfills and dumpsites, and around 35 percent is leaked into the open environment and into our oceans,” she said. Loyzaga stressed that the Philippines is one of the world’s reported highest contributors to plastic waste. Yulo-Loyzaga said the DENR is now working with concerned stakeholders, including multilateral development banks such as the Asian Development Bank (ADB) and non-government organizations (NGO) partners such as Clean Rivers of the UAE’s Zayed Foundation (Erth Zayed Philanthropies) to rehabilitate important historical, cultural and economic areas such as the Pasig River, Laguna de Bay and Manila Bay.

Moreover, she said the DENR is enforcing the Extended Producer Responsibility (EPR) Law, which requires companies to collect and recycle 80 percent of their plastic packaging by 2028. Loyzaga highlighted the daily efforts of the more than 2,300 Estero Rangers and River Warriors who clean up plastic waste from waterways in flood-prone areas of Metro Manila and neighboring provinces. “We all know that waste management as a whole stems from the heart, which is the home. It also reflects a social and economic structure in our society that must be addressed by knowledge-driven institutional change,” she said. She then called for a deeper engagement at the local level, including support for micro-enterprises and waste workers. “We hope you will join us in this call for swift, bold, and impactful action to combat not just the roots and drivers of plastic pollution,” Loyzaga said. “Let’s continue to work together to re-imagine, recreate, and regenerate our only home,” she added. (PNA)

## CJ Gesmundo: Promote love of country, selflessness, justice

By Benjamin Pulta

Chief Justice Alexander Gesmundo on Thursday urged Filipinos to celebrate Independence Day by rekindling the lessons of the revolution that led to Philippine independence -- love of country, placing the welfare of others above one’s self and justice.

In his keynote address during the celebration of the 127th year of Philippine Independence at the Emilio Aguinaldo Shrine in Kawit, Cavite, Gesmundo urged Filipinos to honor the country’s heroes not just through symbolisms but through principled action.

“Hindi natatapos ang kuwento ng ating kalayaan sa kasaysayan --ito ay nagpapatuloy sa kasalukuyan, at hinuhubog natin para sa kinabuksan. Ipagdiwang natin ang ating kalayaan, hindi lamang sa pamamagitan ng pagwagayway ng ating bandila at pag-alala sa nakaraan, ngunit sa pamamagitan din ng pagkilos (The story of our freedom does not end with history --it continues to the present and we shape it for the future. Let us celebrate our freedom not merely by waving our flag and remembering the past, but through action),” Gesmundo said.

He said Filipinos should reaffirm the ideals that gave impetus to their freedom.

“Ituro natin sa ating mga anak hindi lamang ang pangalan ng ating mga bayani, ngunit ang mga prinsipyo na isinapuso nila: ang pagmamahal sa bayan, ang pagsasakripisyo ng sariling interes para sa ikabubuti ng nakararami, at ang walang humpay na pagpursigi upang patuloy na mapabuti ang bansa (Let us teach our children not just our heroes’ names but the principles they lived by: love of country, sacrificing one’s interests for the greater good, and tireless dedication for the continuous development of our country),” he added.

To give meaning to independence, Gesmundo said every Filipino must take an active role in building a just and humane society.

“Dapat mapagtanto natin na ang tunay na kasarinlan ay may kaakibat na pananagutan sa taong bayan. Ang makabuluhang kalayaan ay hindi natatapos dahil tayo na ang namumuno sa ating bansa --ito ay dapat mag-udyok sa atin na magsumikap upang magkaroon ng mas makatarungang lipunan (We should realize that true independence comes with a corresponding responsibility to the people. Meaningful freedom does not end because we are now leading our country --this should push us to strive for a more inclusive society).”

While most Filipinos are no longer called to risk their lives in war, Gesmundo said they are nonetheless called to show courage and unwavering dedication in helping the vulnerable and addressing the nation’s enemies today: corruption, apathy, and abuse from within.

The country’s first president, Emilio Aguinaldo, proclaimed the Philippine independence from the Spanish colonial rule in Kawit, Cavite on June 12, 1898.

Aguinaldo’s proclamation of independence made the Philippines Asia’s first free nation from the clout of Western powers. (PNA)

pagtitipon na pagtibayin ang mga estratehiya sa tamang pamamahala ng basura at pangangalaga sa kalikasan sa lungsod.

Tinalakay sa pagpupulong ang pag-apruba sa minutes ng naunang meeting noong Marso 21, 2025, ang mga accomplishment report ng bawat task force para sa ikalawang quarter ng taon, at ang pagtatakda ng iskedyl para sa 2024

Binigyang-diin din ang kahalagahan ng kooperasyon ng bawat sektor upang mapanatili ang kalinisan at kaayusan sa mga estero, daluyan ng tubig, at mga baybaying bahagi ng lungsod.

Ang pagtitipon ay bahagi ng mas malawak na

Patuloy ang panawagan ng lokal na pamahalaan sa mga residente at stakeholders na makiisa sa mga inisyatiba para sa isang malinis, ligtas, at luntiang Bacoor.

# Bacoor, MWell Partner to Expand Free Medical Services

Bacoor City, Cavite – Patuloy sa layunin nitong maghatid ng abot-kayang serbisyong medikal sa mga residente, pinangunahan ni Mayor Strike B. Revilla noong Hunyo 20, 2025 ang isang mahalagang pagpupulong sa pagitan ng City Government of Bacoor at ng MWELL, isang health-care service provider, upang opisyal na ilunsad ang isang malawakang programang medikal na walang bayad para sa mga Bacooreño.

Ang kasunduan ay kinabibilangan ng City Social Welfare and Development Office (CSWD), Office of City Health Services (OCHS), at legal na gabay mula kay Atty. Kim Nyca Lofrangco ng City Legal Services. Layunin ng programang ito ang palawakin ang access ng mga residente sa libreng dialysis, check-up, at iba pang pangunahing serbisyong medikal. Sa ilalim ng kasunduan, magbibigay

ang MWELL ng mga serbisyong medikal sa ilalim ng pangangasiwa ng OCHS. Sila rin ang hahawak sa PhilHealth billing, gamit ang pondo ng PhilHealth upang masigurong walang gastos ang mga pasyente. Samantala, gagamitin ng CSWD ang kanilang database upang matukoy ang mga karapat-dapat makinabang, at sila rin ang tutulong sa pagproseso ng mga kinakailangang

dokumento sa PhilHealth. Bukod dito, may plano rin ang lungsod na i-upgrade ang mga Rural Health Units (RHUs) upang mas magiging episyente at modernong maglingkod sa mas maraming pasyente. Binigyang-diin ni Mayor Strike na ang inisyatibang ito ay bahagi ng kanyang pangakong pagaanin ang pasanin ng mga Bacooreño sa aspeto ng kalusugan, lalo na ng mga

kapus-palad. "Hindi dapat maging hadlang ang kakulangan sa pera sa pagkuha ng serbisyong medikal," aniya. "Layunin natin na mailapit sa tao ang serbisyong medikal – libre, maayos, at mabilis." Sa nalalapit na implementasyon ng programang ito, inaaasahang makikinabang ang libu-libong mamamayan sa Bacoor na nangangailangan ng dekalidad ngunit libreng serbisyong medikal.

# Cavite town forms multisectoral alliance for child protection

By Ruel Francisco

GMA, Cavite (PIA) — The local government of General Mariano Alvarez has entered into a partnership with Save the Children Philippines and the Frere Saint Benilde Romancon Education Foundation of De La Salle University – Dasmariñas to strengthen child protection measures in the municipality.

The partnership aims to implement programs focused on combatting online sexual abuse and exploitation of children (OSAEC), a growing concern in communities nationwide.

The collaboration outlines a multi-sectoral approach involving community stakeholders to implement awareness campaigns, educational initiatives for parents and children, training for local authorities, and the development of victim support systems.

Mayor Maricel Echevarria-Torres said the partnership marks the

beginning of meaningful programs aimed at protecting the youth.

“Through this collaboration, our barangays, schools, service providers, and parents will be trained to help create a safer, more dignified future for our children,” she said.

She expressed optimism that the initiative will serve as a model for other municipalities seeking to address the rising threat of online child exploitation through community-based solutions and sustained collaboration.

For Save the Children Philippines, the partnership is a “crucial step” in

its Protect Children Philippines project, which aims to safeguard children of all ages and genders in the province.

General Mariano Alvarez is among the municipalities covered by the project, alongside the City of Trece Martires, Naic, Tanza, and Silang.

The DLSU-D also lauded the initiative saying that the partnership will reinforce local gov-

ernment and stakeholders’ commitment to creating a safer online environment for children and serving as a model for other communities.

This initiative aligns with Republic Act No. 11930, the “Anti-Online Sexual Abuse or Exploitation of Children (OSAEC) and Anti-Child Sexual Abuse or Exploitation Materials (CSAEM) Act.” (RBF, PIA Cavite)
