DOTr: LRT-1 Fare Hike Essential for Upgrades, Cavite Extension

The Department of Transportation (DOTr) on Tuesday said the scheduled fare hike for the Light Rail Transit Line 1 (LRT-1) is necessary to implement necessary upgrades and the extension of the line to Cavite.

"While the DOTr respects the decision of those who want to file an appeal against the fare adjustment in LRT-1, which will take effect starting on Wednesday, April 2, it believes that the fare adjustment is long overdue and is necessary to ensure the operational viability of the rail line and sustain its necessary upgrades for the

DA Triples Monthly Rice Allocation for 'P29' Program Beneficiaries

The Department of Agriculture (DA) has tripled the monthly rice allocation for vulnerable sectors benefiting from the Marcos administration's "P29" program.

The new policy allows the sectors to purchase up to 30 kilos of rice each month, a three-fold increase from the previous limit, according to a news release Sunday.

The vulnerable sectors, including senior citizens, persons with disabilities, solo parents and indigents, make up several million covered by the program. The rice sold under this initiative is sourced from the National Food Authority buffer stocks.

PCG probes Cavite ship collision

By Raymond Carl Dela Cruz

The Philippine Coast Guard (PCG) is investigating the collision between landing craft LCT Nicia and cargo ship MV Sangko Uno 66 in waters near Rosario, Cavite on Wednesday.

In an incident report, the PCG said LCT Nicia was traversing the said waters bound for Cebu while MV Sangko Uno 66 was on its way to the Pasay Reclamation Project from Zambales province when the incident occurred.

"No casualties were recorded and no oil spillage was observed in the vicinity waters of Rosario. However, the two vessels sustained minor damage," it said.

PCG Commandant, Adm. Ronnie Gil Gavan, ordered both vessels to go to Manila and cooperate with the PCG's Marine Casualty Investigation. Meanwhile, the PCG has also responded to a medical evacuation request of the Hong Kong-registered vessel MV Voy Trust in waters off Basilan Strait. "The National Maritime Center received the vessel's request for medical evacuation as it transited near Zamboanga City," it said. In response, PCG District Southwestern Mindanao deployed BRP Capones to attend to the injured crew member. The injured crew member was given first aid and later transferred to a vehicle to travel by land to Brent Hospital in Zamboanga City. The Chinese national has since been turned over to the ship's local agent, Albert Abanilla, for further assistance. (PNA)

community. This inspiring initiative underscores the shared commitment of Bacoor and McDonald's to foster inclusivity and empower senior citizens by allowing them to contribute actively to society. By creating jobs for seniors, the partnership seeks to honor their wealth of experience and dedication, ensuring they remain vital and valued members of the community. Mayor Revilla expressed his excitement about this milestone, emphasizing how this joint effort will enhance the lives of Bacoor's seniors while making the city a

model of inclusivity and vibrancy. The partnership reflects the shared vision of creating a community where everyone, regardless of age, can participate and thrive.

Let's celebrate this milestone and spread the word! Together, we can empower our seniors and transform Bacoor into an even more inclusive and dynamic place for all.

Fire safety seminar and drill << P1

of the Office of the Schools Division Superintendent, opened the seminar with an uplifting message. "I would like to extend my heartfelt gratitude to the Bureau of Fire Protection (BFP) Bacoor for accommodating this crucial activity. Your support plays a significant role in fostering a safer environment for our students and staff," she stated.

The seminar began with a warm welcome from FSINP Precious V. Petalio, the Acting City Fire Marshal, who emphasized the importance of fire safety education in schools.

"Understanding fire safety is not just about following protocols; it's about ensuring the safety and well-being of everyone in our educational institutions," Petalio remarked. The day was filled with engaging presentations and practical demonstrations facilitated by an expert team of BFP Bacoor officers. Among those leading the sessions were FO3 Joseph B. Ponte, FO1 Noel A. Bilgera, FO1 Shane Bundac, FO1 Nissi Jay Tolang, and F/A Felices Pascua. They delivered comprehensive training on fire prevention, emergency response, and

the correct use of firefighting equipment.

Participants had the opportunity to learn hands-on skills and best practices for fire evacuation, with additional guidance provided by FO3 Marco Moralina, FO2 Domino Bejosano, FO1 Vincent Verseles, FO1 Jade Allones, and FO1 Jirald Dave Bael. The practical exercises culminated in a fire drill, allowing staff to apply what they learned in a simulated emergency situation.

By incorporating such training into their professional development, school personnel are

better equipped to handle emergencies, thereby contributing to a culture of safety within their institutions. This proactive approach reflects the commitment of both the City Schools Division of Bacoor and BFP Bacoor to protect the lives of students and staff alike.

As the day concluded, participants expressed appreciation for the valuable knowledge and skills gained during the seminar, reinforcing the notion that preparedness is key in ensuring a safe educational environment.

benefit of the commuting public," it said in a statement.

"This rate increase is needed to not only ensure smooth and timely maintenance of LRT-1 but also the extension of the line all the way to Cavite under the present PPP (public-private-partnership) contract," it added.

The DOTr also pointed out that the rate increase, approved last January 30, 2025, is only the second rate increase since 2023.

The rate increase is also "much lower" than the

proposed PHP20 peso fare hike originally submitted by the Light Rail Management Corporation.

Starting April 2, the maximum fare for a single journey ticket in LRT-1 will increase from PHP45 to PHP55, while the minimum fare will rise from PHP15 to PHP20.

Meanwhile, the maximum fare for a stored value card will go up from PHP43 to PHP52, while the minimum fare will increase from PHP15 to PHP16. (PNA)

Biñan po ay 4,282 (There are still 4,120 jobs available in Dasmariñas and 4,282 in Biñan)," Castro said. Castro noted that only 63 applicants in Dasmariñas and 45 in Biñan were hired on the spot in the job fairs organized by the government.

President Ferdinand R. Marcos Jr. led the "Trabaho at Serbisyong Pangkalusugan sa Bagong Pilipinas" job and health fair in the two provinces last week.

In February, Marcos

vowed to expand job fairs nationwide to create more employment opportunities, particularly for beneficiaries of the Pantawid Pamilyang Pilipino Program (4Ps) and the Tulong Panghanapbuhay sa Ating Disadvantaged/Displaced Workers (TUPAD) program.

During the job and health fair in Laguna, Marcos expressed elation over the high number of jobseekers who were hired on the spot, saying the event

in the province was the "most successful" so far.

The Department of Labor and Employment is collaborating with various partner government agencies and the private sector in holding nationwide job fairs to sustain post-pandemic employment gains and drive economic transformation.

In Metro Manila, job fairs will be held in Quezon City, Makati, Pasay, Las Piñas, Manila and Valenzuela until March 31.

The country's employment rate reached 95.7 percent in January 2025, slightly improving from 95.5 percent in the same period last year, according to the Philippine Statistics Authority's latest data.

In terms of actual figures, around 48.49 million Filipinos were employed in January 2025, an increase from 45.90 million in January 2024 and 48.16 million in October 2024, respectively. (PNA)

day, March 26, 573 college students from Ternate were granted the same support,

ensuring that they have the necessary resources to continue their education

without financial burden. Meanwhile, on March 27, educational assistance was extended to 269 students from Gen. Emilio Aguinaldo and 834 qualified students from Maragondon, further demonstrating the provincial government's dedication to fostering educational growth and development.

This initiative underscores the provincial government's unwavering commitment to empowering Cavite's youth by alleviating financial constraints and promoting academic excellence. Local officials expressed their gratitude to

Governor Athena Bryana Tolentino and the entire provincial administration for prioritizing education and providing much-needed support to students in the province. Beneficiaries and their families also expressed appreciation for the assistance, noting that it will significantly aid them in covering tuition fees, school supplies, and other academic-related expenses. The program continues to be a beacon of hope for many students striving to achieve their educational dreams despite financial challenges.— OPIO

DA triples monthly rice << P1

Dasmariñas, Cavite Friday, DA Secretary Francisco Tiu Laurel Jr. announced that the new policy would be implemented nationwide immediately. The P29 rice is available at Kadiwa ng Pangulo stores and centers. “We urge you to take advantage of this new policy, which responds

to the calls from our financially challenged fellow citizens for greater access to more affordable food, especially rice,” he said. Rice accounts for roughly PHP9 of every PHP100 spent by the average Filipino consumer. This amount increases to

over PHP18 per PHP100 for households with the lowest incomes, according to data from the Philippine Statistics Authority. The DA launched the P29 program in July last year to provide affordable rice options for vulnerable sectors. It further widened Filipinos’ options with the introduction last year of the Rice-for-All (RFA) program, which allows all consumers to buy unlimited amounts of rice at reduced prices. The current prices under the RFA are as follows: PHP43 per kilo with 5 percent broken grains, PHP35 per kilo with 25 percent broken grains and PHP33 per kilo for 100 percent broken grains. (PR)

This year's theme, "WE for Gender Equality and Inclusive Society," with the sub-theme "Babae sa Lahat ng Sektor, Aangat ang Bukas sa Bagong Pilipinas," underscored the collective commitment to advancing gender equality and women's empowerment.

The event gathered hundreds of Gender and Development Focal Point System (GFPS) representatives from various local government units across CALABARZON, united in their advocacy for gender inclusivity.

Regional Gender and Development Committee (RGADC) Chairperson RD Carmel P. Matabang warmly welcomed the participants, emphasizing the need for a society where women can thrive. Hon. Nina Ricci A. Ynares, Governor of Rizal Province, highlighted the struggles and triumphs of women, while Dr. Nancy T. Pascual, President of the University of Rizal System, inspired attendees by affirming that every woman holds the power to shape a better future.

A keynote address by Dr. Amaryllis T. Torres, Professor Emeritus of UP-CSWCD, reinforced the call for sustained gender advocacy. The program also featured insightful discussions on gender equality and women's empowerment, including: "Advancing Gender Equality and Women's Empowerment" by Ms. Nharleen Santos-Millar, OIC Executive Director of the Philippine Commission on Women; and, "Empowering Women through Social Security and Solidarity Economy in Achieving ASEAN Sustainable Development Goals" by Dr. Benjamin R. Quiñones, Chairperson of the Asian Solidarity Economy Council.

A major highlight of the event was the launch of the CALABARZON Gender and Development Agenda 2024-2030, reinforcing the region's dedication to gender-responsive policies and programs.

During the turnover ceremony, the Province of Cavite officially accepted the hosting duties for the 2026 Regional Women's Month Celebration. Representing Cavite were Board Member Romel R. Enriquez, Chairperson of the Committee on Social Services, Family, Women, Children, and Elderly, and Ms. Precyl T. Ramos, OIC of the Office of the Provincial Social Welfare and Development Officer.

The celebration concluded with "Serbisyo Para Kay Juana," featuring market fairs, welfare services, and commercial booths aimed at supporting women's economic empowerment.

With great enthusiasm, Cavite looks forward to leading the 2026 Regional Women's Month Celebration, further strengthening its commitment to advancing gender equality in the region.--- OPIO

42 beneficiaries in Cavite get wheelchairs from Red Cross

Story by Allen Limos

THE Philippine Red Cross (PRC), in collaboration with Rotary Club of Manila 101, Wheelchair Foundation and Chair the Love, distributed an additional 42 wheelchairs to beneficiaries in Cavite.

This initiative is part of the second phase of the "Mobility for Dignity" project, which took place on March 29. With a mission to bring hope and improve the productivity of individuals with mobility impairments, the Mobility for Dignity project launched in 2021 aims to empower mobility-impaired Filipinos by helping them gain employment opportunities, allowing children to continue their education and encouraging beneficiaries to lead normal, independent lives through the gift of mobility. "Hope begins with us. I would like to extend my gratitude to our partners for giving us the opportunity to distribute wheelchairs to beneficiaries in many parts of the country," said PRC Chairman and CEO Dick Gordon.

PRC Secretary-General and Rotary Club of Manila 101 member Gwen Pang echoed the sentiment, emphasizing the significance of each wheelchair donation. "Every wheelchair carries a story of hope. It is not just a chair, but a symbol of dignity, freedom and opportunity for our beneficiaries. As Chairman Gordon said, 'When we give mobility, we give freedom, independence and a renewed sense of purpose.'"

One of the beneficiaries, 8-year-old John Pagdanganan, was born with an orthopedic disability. Before receiving his new wheelchair, his mother, Michelle, carried him to school every day. With the donation, John now has the chance to be more independent and pursue his dream of becoming a banker. His mother also noted that the timing is perfect, as John, an honor student, will be attending his recognition day this April.

To date, 540 brand-new wheelchairs have been distributed to beneficiaries in various locations, including Baguio, Benguet, Caloocan, Cavite, Malabon, Manila, Pasay, Parañaque, Antipolo, Pateros, San Juan, Muntinlupa, Pasig, Mandaluyong, Valenzuela, La Union and Occidental Mindoro. Through ongoing partnerships and dedicated efforts, the PRC and its collaborators continue to transform lives, ensuring that mobility-impaired individuals receive the support they need to lead fulfilling lives.

Lacson's pro-LGU approach wins over Cavite mayor

BY ELLSON QUISMORIO

Administration senatorial candidate Panfilo "Ping" Lacson has gained the endorsement of his fellow Caviteño, Mayor Maricel Torres of General Mariano Alvarez.

Torres specifically favored Lacson's promise to champion the cause of local government units (LGUs) should the latter make a successful comeback in the Senate during the May 12 mid-term elections.

Torres lauded Lacson for fighting for LGUs and their share of the national budget for development programs through his Budget Reform Advocacy for Village Empowerment (BRAVE) initiative.

"Of course, we respect our senator whose BRAVE program gives special attention to the small towns," the lady mayor said in Filipino at the proclamation rally of Team 1GMA, on the first day of the campaign season for local officials on Friday,

March 28. She hailed Lacson for recognizing the needs and priorities of small towns and cities like General Mariano Alvarez (GMA).

Because of this, she said she will support and campaign for the Alyansa para sa Bagong Pilipinas senatorial bet.

"Our senator saw the needs of the smaller towns like GMA. So we will support and campaign for Senator Ping Lacson!" she said.

Lacson has advocated BRAVE, where LGUs get more autonomy and resources, as well as the accompanying accountability, in implementing key development projects, programs and activities.

He noted that billions of pesos in the yearly budget is not used, and could fund development and livelihood projects at the barangay, municipal, and provincial levels.
