CAVITE, Philippines – Supporters of presidential candidate Vice President Leni Robredo and her running mate Senator Kiko Pangilinan in this voter-rich province are preparing for a grand rally in the homestretch of the May 9 elections, an event that they aim to be bigger than the first campaign rally they mounted in early March.

600,000 Caviteños get COVID-19 booster shots

TRECE MARTIRES CITY, Cavite (PIA) — More than 600,000 residents in the province of Cavite have received booster shots for the coronavirus disease 2019 (COVID-19), giving them additional layer of protection against the disease.

Based on the data released by the Department of Health (DOH) Center for Health Development Calabarzon, at least 622,339 individuals received the additional Covid-19 vaccine. This accounts for 17.55% of the Cavite's 3.5 million target population.

Current figures also show that 79% or 2,796,943 individuals have been fully vaccinated, while 2,930,131

Comelec starts deployment of official ballots

The Commission on Elections (Comelec) will start late Tuesday the deployment of official ballots to be used in the May 9, 2022 polls.

In an advisory, the poll body said the delivery of over 60 million ballots will begin in the evening of April 19. These will come from the Comelec Warehouse located at Legaspi Street in Maybunga, Pasig City.

Aside from the ballots, the poll body said other election supplies will also be deployed.

Aksyon Demokratiko slams 'sinister' reports vs. Domagoso

The Aksyon Demokratiko party on Tuesday called for a halt to the spread of disinformation and fake news

following reports of supporters abandoning its standard-bearer, Francisco "Isko Moreno" Domagoso.

Party chair Ernest Ramel said it is a "sinister ploy" to make it appear that volunteers and party members are

defecting to the camp of Vice President Leni Robredo.

"We see no end to these diabolical machinations aimed at weakening the political party of Mayor Isko," Ramel said in a statement. "Enough with the disinformation. Let's put a stop to a rehash of defections which is already tantamount to fake news."

Ramel's statement came two days after Domagoso asked for Robredo's withdrawal from the presidential race during a press conference at a Makati City hotel.

On Monday, Domagoso said it was a dose of Ro-

Cavite prepares for bigger << P1

Details are still being finalized by organizers – both volunteers and local politicians – but sources have confirmed to Rappler so far that it is set for Labor Day on May 1, a Sunday, which is two weeks before election day.

The host city will be Dasmariñas, the most vote-rich local government in Cavite (400,074 registered for 2022). Its political bigwig, 4th District congressman Elpidio Barzaga Jr., has declared his support for Robredo, against the position of the party he heads, the National Unity Party. The event will be held starting 3 pm at the New City of Dasmariñas Football Field. Sources from various camps in Cavite told Rappler that organizers were working on ensuring that all district representatives not allied with Robredo's rival, former senator Ferdinand "Bongbong" Marcos Jr., would come out in definite support of Robredo.

So far, only Barzaga and 3rd District Representative Alex Advincula have openly declared support for Robredo. 6th District Representative Luis Ferrer IV is counted as an ally since he hosted Robredo's first meet-and-greet with his constituents in General Trias after she filed her candidacy for president in 2021. Ferrer's brother, the mayor, also helped organize the first grand campaign rally for Robredo at the General Trias Sports Complex on March 4.

In Cavite, three congressmen from the most influential dynasties have thrown their support behind Marcos: Strike Revilla (2nd District), Boying Remulla

(7th District), and Bambol Tolentino (8th District).

The planned May 1 rally for Robredo and Pangilinan creates a crowd size contest of sorts in the province.

On March 4, an estimated crowd of 47,000 showed up at the grand rally organized by the Cavite chapter of the Robredo People's Council at the General Trias Sports Complex. The enthusiastic response from supporters was said to have shocked even the local organizers and some people on Robredo's campaign team.

Immediately after, congressman Remulla accused the attendees of being paid and bussed in, and said some of them were trained by communist front organizations in organizing. He pointed to the uniform t-shirts and campaign collaterals used by attendees as proofs that somebody paid for their attendance. This launched the staple "Hindi kami bayad!" chant in succeeding Robredo rallies.

After the event – and the incident – Governor Jonvic Remulla, the congressman's brother who earlier promised to deliver 800,000 votes for Marcos, told Rappler in a text message he would be organizing a rally with a message of local unity.

On March 22, at the same venue in General Trias where Robredo's grand rally was mounted, Remulla hosted Marcos' rally, drawing a crowd that local police estimated to be between 80,000 and 100,000 – about double the size of the "pink" rally. As in Robredo's rally, some of the attendees in the Marcos rally also came in uniform t-shirts

and campaign accessories. Asked by a Rappler reporter if the event was a direct response to the Robredo crowd from nearly three weeks before, the governor said, "It's not a pissing contest." He said, however, that "Cavite has something to prove," that was why he "asked him (Marcos) to come back" for this big rally. Marcos earlier went around Cavite on a motorcade at the start of the campaign period. "Where Cavite goes, the country goes. So it has to start here," Governor

Remulla told reporters on the sidelines of the March rally. On Monday, April 18, Cavite Board Member Kerby Salazar, the main organizer of the March rally, posted a teaser for the homestretch rally for Robredo. "Handa ka na ba muli, Cavite?" the video says. "Kay Leni Robredo, lahat imbitado!" The May 1 rally for Robredo will come a week after another grand mobilization that her volunteers are organizing on her birthday, April 23, along Macapagal Avenue in Pasay City.

brede's own medicine as her camp was persistent in asking him to back out since last year.

Rivals Senator Panfilo Lacson and former Defense secretary Norberto Gonzales confirmed during the same press briefing that they, too, were asked to withdraw by the Robredo camp but did not ask the Vice President to do the same.

In an undated statement, former officials and members of Aksyon Demokratiko expressed their disappointment at Domagoso's remarks against Robredo.

The letter posted on social media was signed by Kaye Ann Legaspi, vice president for youth, and John Erdie delos Santos, executive director, of Aksyon Demokratiko; Paul Andrei Roset, San Pablo City, Laguna candidate for councilor;

and Rewin Eros Maghirang, Darren Gonzales, Jose Marco Terrado, Bryan Ezra Gonzales, and Kevin Mandrilla, all Isko Tayo Kabataan former members. The group stated that while they commend the presidentiables for their resolve to continue with their bids, Domagoso's call for Robredo to withdraw was unwelcome.

"It was clear that Moreno saw the press conference as an opportunity to retaliate against initial calls by Robredo's supporters for him to withdraw, which he refers to as a social injustice. But the good mayor from Manila should be reminded that Robredo herself never made that appeal," the letter read.

Ramel said that it is obvious that the people behind the defection of IM (Isko Moreno) volunteers are the same ones behind the re-

cruitment of three Aksyon Demokratiko youth members and volunteers.

Ramel clarified that de Los Santos resigned from the party on April 2 and Legaspi in early March as announced

on Facebook, and not because of the press conference.

He said he did not know some of the alleged Aksyon Demokratiko volunteers who defected to the Robredo camp. (PNA)

had already received at least one dose of the Covid-19 vaccine.

The DOH CHD Calabarzon further reports that 406,967 individuals from the pediatric population have already received complete doses of the vaccine.

The regional health department also reported that Covid-19 cases in Cavite significantly dropped as local government units further intensified their Covid-19 vaccination drives.

As of April 7, the towns of Noveleta, Carmona, Indang, Alfonso, Magallanes,

Maragondon, Mendez, and Ternate recorded zero active cases for almost two weeks, while the remaining cities and municipalities logged less than ten active cases in their localities.

Despite the province's Covid-19 downtrend, Governor Jonvic Remulla still closely monitors the ongoing health crisis. He also urged his constituents to remain vigilant and prioritize health safety as the threat of the Covid-19 pandemic continues. — Ruel Francisco, PIA Cavite (with reports from Dennis Abrina)

candidate and Cavite Eighth District Rep. Abraham "Bambol" Tolentino, Tanza town incumbent Mayor Yuri Pacumio, and Magallanes town Mayor Jasmin Maligaya-Bautista, running unchallenged in their respective localities, were back in the campaign trail after the Lenten break, 23 days before the May 9 national and local elections.

"Here in GenTri, we practice the normal campaign even if we don't have a challenger. We want our constituents to hear our platforms for the next three years and also to listen to the voice of the people's concerns," Ferrer said.

The 14 localities here in a tight mayoral race include Bacoor, Imus, Dasmariñas, Carmona and Indang, along with the cities of Cavite City, Trece Martires City, Noveleta, Kawit, Rosario, Naic, Maragondon, Ternate, Amadeo, Silang, Bailen, GMA, Mendez and Alfonso town.

In Silang town, Cavite incumbent Gov. Juanito Victor "Jonvic" Remulla and Cavite Fifth District congressional candidate Roy Loyola accompanied Silang front-runner mayoral bet Lourdes "Omil" Poblete and party mates to restart their campaign in Barangay Bulihan, Sunday morning.

CCFI, Independent Cavite Vice << P1

Philippines, wrote Lacson a letter as early as August 1, 2021 to formally express support for his candidacy in tandem with his vice presidential running mate Senate President Vicente "Tito" Sotto III.

"We strongly believe in your good governance and

integrity in leading our nation. As such, we are giving you our full support as President of the Republic of the Philippines together with your Vice President, Sen. Tito Sotto, on [these] coming national elections," Hermosilla told Lacson.

This declaration of sup-

port has not wavered despite the challenges that Lacson encountered in his second presidential campaign.

A CCFI pastor is also running as an independent candidate in the race for vice governor of Cavite, the home turf of Lacson. Pastor Joseph Thim Lasaca Jamboy is seeking the vice governor position in the province to promote free housing, educa-

tion and medical assistance, generate more jobs, develop the farming and fisheries sectors, and build more infrastructures for the benefit of his fellow Caviteños. According to the Lacson-Sotto Support Group (LSSG) chapter in Cavite, Jamboy has joined their political cause and would be backing the respective electoral bids of the veteran statesmen. Lacson

never lost an election in the province insofar as his past electoral performances are concerned.

CCFI was founded on December 19, 1990 and is a duly recognized religious institution in the Philippines. It is registered with the Securities and Exchange Commission (SEC). The organization has been rendering various

ministries across the country for over 30 years now. It has almost 1.5 million members in the Philippines alone. It currently has 168 churches in the Philippines and has nine international teams in Africa, Australia, Canada, Indonesia, Malaysia, New Zealand, Pakistan, Thailand and Switzerland, according to Bishop Hermosilla.

Duque: COVID-19 cases gradually increasing in 14 areas under Alert Level 1

COVID-19 cases are gradually increasing in 14 areas under Alert Level 1, Health Secretary Francisco Duque said on Monday.

During a taped Cabinet meeting, Duque did not name the 14 areas but he noted in his presentation that the Cavite province, Manila, and Quezon City had the highest number of new infections from April 12 to 18. At least 101 cases were recorded in Cavite, 92 in Manila and 82 in Quezon City.

In terms of region, Metro Manila recorded the highest number of new cases with 606 infections, followed by Calabarzon with 226 and Central Luzon with 181.

Vaccine czar Carlito Galvez said cases in the Bangsamoro Autonomous Region in Muslim Mindanao are also increasing amid the observance of Ramadan.

In a separate briefing on Tuesday, Health Undersecretary Maria Rosario Vergeire clarified that the increase in infections in these areas cannot be considered significant yet.

"Dahil 'yung iba, from zero case, nagkaroon ng dalawa. From zero case, nagkaroon ng tatlo. Kaya nagpo-positive ang kanilang growth rate," Vergeire explained.

[Translation: In some areas, zero cases become two. From zero case, there are now there. That's why the growth rates become positive.] She added hospital utilization rates remain stable in these areas. The National Capital Region, along with 887 cities and municipalities across the country, are under the more relaxed Alert Level 1 until April 30.

From April 11 to 17, the DOH reported 1,674 new COVID-19 infections. This meant a daily average of 239, which was 12% lower than the previous week.

PhilHealth continues to pay hospitals thru debit-credit method

The Philippine Health Insurance Corporation (PhilHealth) continues to pay hospitals' claims, an official said Thursday.

In a televised Laging Handa public briefing, PhilHealth Vice President for Corporate Affairs Dr. Shirley Domingo noted their regional offices are coordinating with the hospitals for their claim's payment. "They are doing reconciliation meetings. Nagbayad po tayo ng tinatawag na DCPM [Debit-Credit Payment Method]. So, naka-DCPM releases na tayo, siguro mga tatlong types of DCPM - DCPM 1, ini-extend natin iyong one, and then, two and three (We have paid through DCPM. So, we had DCPM releases, like three types of DCPM - DCPM 1, we have extended one, and then, two and three)," Domingo said.

In its Circular 2021-0004, PhilHealth uses the DCPM to facilitate the settlement of accounts payable to healthcare facilities during the State of Public Health Emergency brought about by the Covid-19 pandemic.

PhilHealth initially applied DCPM only to areas identified by the Inter Agency Task Force for the Management of Infectious Diseases and National Task Force Against Covid-19, particularly in the National Capital Region, Batangas, Bulacan, Cavite, Laguna, Pampanga, and Rizal.

As for the investigation of hospitals in Northern Mindanao, Domingo clarified that none like it happened recently or is ongoing. "That statement or that news came out, when actually nagkaroon ng MOA [memorandum of agreement] signing ang ating regional office noon at saka NBI [National Bureau of Investigation] para i-train ng NBI iyong ating regional personnel on fraud management or investigation. So iyon po talaga, MOA signing po iyon (there was a MOA signing between our regional office and the NBI for the NBI to train our regional personnel on fraud management or investigation)," she said.

She emphasized the suspension of the hospitals happened years ago when the corporation started with its investigations.

"Iyong mga hospitals na-suspend iyon dati pa at saka iyong sinasabing revoked ay actually, isa lang ang galing doon sa region na iyan, the rest were mga five iyon nationwide. Pero ever since,

matagal na po iyon, hindi iyan current (Those hospitals were suspended a long time ago and the hospitals said to be revoked is just one, the rest were five nationwide. That was before, that is not current)," she said. (PNA)

Comelec starts deployment << P1

The official ballots and supplies for the May polls will be delivered to the city/municipal treasurer's offices nationwide. The Comelec has printed a total of 67,442,616 ballots for next month's polls.

Early this month, the poll body started the deployment of vote-counting machines (VM), consolidated canvassing system (CCS) laptops and peripherals, and

transmission devices from the Comelec warehouse in Santa Rosa, Laguna.

The various election-related equipment, peripherals, forms and supplies will be brought to regional hubs nationwide. First to be deployed were the VM external batteries, non-accountable forms and supplies which already began in February. (PNA)

ORDER

Perusal of the records of the case shows that summons has not been served to the respondent Precy A. Satsatin for reason that the address given cannot be located due to insufficient address as per return of summons submitted by the process server on March 9, 2022.

It appears that on October 11, 2019 an ex-parte manifestation with motion for publication was filed by the plaintiff. However, the resolution of said motion was held in abeyance on the ground that petitioner was directed to submit proof of residency of in compliance with the Supreme Court Administrative Order No. 02-11-10-SC.

Likewise, publication was also held in abeyance considering that the summons addressed to the respondent at her given address has not been served by the process server, and that no return of summons has been submitted.

Accordingly, considering that summons was not served to the respondent, the Ex-parte Manifestation with Motion for Publication is hereby GRANTED.

The petitioner is allowed to serve the summons to respondent through publication in a newspaper of general circulation for three (3) consecutive weeks.

Petitioner is also directed to submit proof of publication. Furnish copy of this order to the Office of the Clerk of Court for the publication.

SO ORDERED.
