Cavite PPO adopts 'My Brother's Keeper' forum

IMUS CITY, Cavite Feb. 13 (PIA) - “My Brother’s Keeper” (MBK) is one of the initiative programs of the Philippine National Police (PNP) for the department’s internal cleansing.

In line with this, the Cavite Police Provincial Office (PPO) recently organized the forum officiated by Bishop Arnold Arellano, chairperson of Cavite Provincial Advisory Council at Mayo’s Hall Camp Pantaleon Garcia here.

DPDA PLTCOL Pablito A. Naganag, DPDO PLTCOL Reynan V. Patam, Command Staffs and all squad leaders of Police Provincial Headquarters fully supported the

activity. PNP PPOs across the country had conducted similar forums and regular bible studies under this program to give opportunities for young and new police officers to be guided by senior police officers thru a bond of brotherhood and accountability.

“It is an operational directive that softens the hearts of even hardened policemen

who are floundered and have gone astray,” Bishop Arellano said.

The forum will be conducted every Monday on a weekly basis to continuously develop and support the young Christian officers to become God-fearing, family and service oriented. (Ruel Francisco, PIA-Cavite/with reports from Cavite Provincial Police Office- PIO)

2022 presidentiables, nag-aagawan na ng computer experts

INSPIRASYON SA BUHAY: "... Darating ang araw na gaya ng isang nagbabagang hurno, tutupukin ang mga palalo at masasama gaya ng dayami at walang matitira sa kanila, sabi ni Yahweh na Makapangyarihan sa lahat..." (Malakias 3:19, Ang Tanging Daan Bibliya).

2022 PRESIDENTIABLES, NAG-AAGAWAN NA NG COMPUTER EXPERTS: Alam ba ninyong nagkakandarapa na, ngayong pa lang, ang ilang mga personalidad na nagnanais tumakbo sa pagka-pangulo o iba pang matataas na posisyon sa 2022 sa mga pagkilos upang matiyak ang kanilang panalo?

Ayon sa isang computer expert na nakipag-usap sa akin noong Sabado ng gabi, Pebrero 16, 2020, ang labanan ngayon ay ang pagkuha ng mga Internet at computerized voting experts upang tulungan ang mga kandidato mula sa kanilang kampanya hanggang sa pagtiyak na di sila madadaya sa pamamagitan ng computerized dagdag-bawas scheme.

Ilang mga malalaking mga bupete ang iniulat sa akin na siyang nakikipag-usap sa ngayon sa mga computer experts. Ang siste lang nito, dahil sa dami ng mga kandidato para sa mga matataas na posisyon sa bansa ang gustong magkaroon ng computer experts sa kanilang mga grupo, nagtataasan na ngayon ng bayad ang mga dalubhasang ito. Well, may the best computer expert win, ika nga! Sa mga kaibigan kong computer experts, balato naman diyan!

DEAR ATTY. BATAS: Sa kasong idinulog sa atin ni Jenelyn Albero noong nakaraang linggo tungkol sa pagsasama ng kaso ng isang menor de edad laban sa partner ni Jenelyn, sinabi niyang wala namang kasalanan ang kaniyang partner, at sa halip, yung batang menor de edad nga ang nanduro at nag-asal bastos laban sa kaniyang partner. Gusto po nating puntuhin ito, upang malaman ng lahat na may panlaban sa mga batang asal bastos at masama ang ugali.

Sa pag-aaral ng BATAS (Buklod ng mga Abogadong Tagapagtayod ng Adhikaing Sambayanan) at LIGHT (Lawyers Instructed on Godliness, Humility, and Truth), pupuwedeng sampahan ng kasong kriminal at administratibo ang batang masama ang ugali at walang takot sa pambabastos sa mga nakakatanda sa kaniya. Unahin natin ang kasong administratibo laban sa bata.

Aming ipapayo na sampahan ang bata sa Department of Education dahil sa kaniyang masamang ugali at mga pagkilos, at hilingin sa departamento na huwag na siyang pahintulutan makapagtapos ng pag-aaral. Ang kaso ay maaaring isampa kaagad sa Regional Office ng DepEd doon sa lugar kung saan nag-aaral ang bata, ke ang kaniyang paaralan ay pampribado o pampubliko. Tiyak, matatauhan ang bata at ang kaniyang mga magulang sa ganitong kaso, dahil magkakaroon na ng bad record ang bata na dadalhin niya hanggang sa kaniyang paglaki. SUSUNUGIN ANG MGA PALALO AT MASASAMA SA ARAW NG DIYOS: Sa Malakias 3:19 (o 4:1, depende sa bersiyon ng Bibliya) sa Lumang Tipan, isinasalarawan doon ang Araw ng Panginoon---o ang araw kung saan sa araw na ito ay magiging isang malaking nagbabagang hurno o naglalagablab na oven o kalan ang buong daigdig. Sa araw na iyon, susunugin ang mga palalo at masasama sa daigdig. Ang pagsusunog sa kanila ay tulad ng pagsusunog ng mga dayami na natuyo sa mga kabukiran matapos ang ilang buwan pagkatapos ng anihan. Sabi pa ng Bibliya, kakila-kilabot ang araw na iyon sa mga palalo at masasama. Pero sa mga nakapagpatotoo sa kanilang panampalataya sa Diyos, sa

mga nagsumikap ipangaral ang kaharian ng Diyos, sisikat ang Kaniyang katarungan sa kanila na tulad ng araw, at ang sinag nito ay magpapagaling sa mga matuwid.

Lulundag ang mga nagpatotoo sa Diyos sa tuwa na parang mga guyang pinalaya s kulungan, at, sa araw na iyon, magtatagumpay ang mga tunay na mananampalataya laban sa masasama, at tatapakan nila ang mga masasamang ito ng parang alikabok. Ang tanong ngayon ay ito: anong kalagayan ang pipiliin niyo? Kung gusto ninyong kasama kayo sa katuwaan ng Diyos sa araw na iyon, ulitin po ninyo ang panalangin sa ibaba nito. PANALANGIN NG PAGTANGGAP KAY JESUS BILANG DIYOS AT TAGAPAGLIGTAS, AMA, ANAK, AT ESPIRITU SANTO: Panalangin upang maiwasan ang Araw ng Matinding Kapighatian: "Panginoong Jesus, tinatanggap at pinananampalatayan kita na ikaw ang Diyos Ama, Anak, at Espiritu Santo na bumaba mula sa langit at tumungo sa lupa sa anyo ng tao, upang ibigay sa akin ang kaligtasan mula sa aking mga kasalanan. Patawarin mo ako sa aking mga kasalanan, at isulat mo ang aking pangalan sa iyong Aklat ng Buhay. Isinusuko ko sa iyo ang lahat sa aking buhay, ang aking isip, salita, gawa, at hitsura, sa lahat ng pagkakataon. Amen."

CYBER SAFETY ORIENTATION CUM DELIVERY OF SOCA

Carrying the tagline, "Karapatang Pambata: Patuloy na Pahalagahan at Gampanan Tungo sa Magandang Kinabukasan", the Provincial Government of Cavite through the Provincial Council for the Protection of Children in cooperation with the Inter-agency Council Against Trafficking (IACAT IV-A) and the Department of Education celebrated the 27th Provincial Children's Month on February 20, 2020 at Trece Martires City National High School.

Provincial Administrator for Community Affairs Alvin S. Mojica, on behalf of Governor Juanito Victor C. Remulla, delivered the State of the Children's Report before the 150 junior high school students of TMCN-HS.

The report highlighted the survival, development, protection, and participation rights of every Caviteño child through the advocacies and programs implemented by the provincial government in partnership with different local and national agencies.

On the other hand, a cyber safety orientation dubbed as "Cyber Safety is My Responsibility: Orientation on Anti-Child Pornography Act and Tips on Safer Internet among Youth and Stakeholders" was also conducted. Ms.

Henelyn L. Lapizar, Social Welfare Officer III, discussed topics like cyberbullying, online sex exploitation, child pornography as well

as several other relevant and timely topics that the students are facing in the digital world. Likewise, she provided awareness on proper and

safe usage of internet and social media. Students had a chance to share their insights and asked questions after the orientation proper.---PICAD

Aquino International Airport's (NAIA) increasing air traffic congestion. In his inaugural speech last Saturday, February 15, President Duterte stressed that, "through prudent spending under competent managers, the state can complete projects that are beneficial to the people." He also indicated his stand for opposing any type of land reclamation by the private sector except for priority government projects.

"Not during my time. I

will only allow maybe plans of whatever reclamation if it is in connection with the government project. I will not allow massive reclamation for the private sector. Not now. Because if you approve one, you approve all," the President said.

During the event, a two-minute video presentation of the Sangley Airport Development Project (SADP) was shown after which Gov. Jonvic Remulla briefed the President on the project expansion which the Department of Transporta-

tion commenced in October 2019. The President duly commended the efforts of DoTr Secretary Arthur Tugade for expediting the completion of the airport facility with target date of completion in March 2020 but completed ahead of deadline due to 24/7 construction works.

On the other hand, Cavite Governor Jonvic Remulla presented to the President the provincial government's plan to develop the Sangley Point International Airport (SIA) under its Public-Private Partnership (PPP) to provide critical aviation infrastructure to help decongest NAIA and serve as a

long-term international gateway for metro manila and the CALABARZON region

The facility is now 100-percent operational with a newly-constructed 750 sqm. Passenger Terminal Building that can accommodate 160 passengers, equipped with Flight Information Display Systems (FIDS), CCTV, X-ray and baggage handling and weigh-in conveyor to support its operations. The Sangley Airport is currently being used for general aviation operations catering to turbo-prop aircraft for commercial cargo operations. (Ruel Francisco, PIA-Cavite)

what objective evidence are needed to demonstrate conformance with the QMS requirements. The training also aims to prepare the internal auditors on reporting valid information, factual and value-adding audit findings.

Among the topics tackled on the first day were Audit Principles, Understanding the Requirements, and Initiating the Audit and Audit Preparation. Participants were also taught on how to prepare the correlation matrix and how to fill out the auditors note.

On the second day, Audit Execution, Audit Reporting and Audit Follow-up were deliberated and a mock audit was initiated to let the

internal auditors have a feel of how an audit is conducted in an organization with situational problems to test their skills in finding evidence that will support their audit reports. Previous trainings and seminars were initiated in preparation for the external audit to be held on the second quarter of this year. On August 7-9, 2019, Internal Quality Auditors Training was also conducted at Tagaytay Haven Hotel for the new set of internal auditors. It also served as a refresher course for the senior internal auditors. Likewise, on January 21, 2020, ISO 9001:2015 Appreciation and Risk-Based Thinking Seminar was held to fully grasp the concepts of the QMS international standard. --(PICAD)

DepEd SPED PROGRAM... from P1

lyong unang naitala ng ahensya noong 2016. Bagama't may mahigit labing-apat na libong (14,009) mga regular na paaralan na tumatanggap ng "children with disabilities" at hiwalay na SPED Center sa buong bansa, apat na libo (4,000) lamang ang SPED teachers. Sa ilalim ng Senate Bill 171 o Inclusive Education for Children and Youth with Special Needs Act, isinusulong ni Gatchalian ang pagkakaroon ng regular na pondo para sa SPED. Sa ilalim kasi ng panukalang batas, kailangang magkaroon ng hiwalay na line item ang budget para sa SPED. Layon din ng panukalang batas na magkaroon ng Inclusive Education Learning Resource Centers sa bawat public school division sa bansa. Ang Inclusive Education ay isang sistema o set-up kung saan pwedeng pagsamahin ang parehong non-SPED at SPED students para sabay na ituro ang curriculum.

Sa kauna-unahang pagkakataon ngayong taon, naglaan ang gobyerno ng isang daang (100) milyong pisong pondo para sa SPED, mas mababa sa iminungkahing budget na halos kalahating bilyong piso. Sa pagpasa ng 2019 national budget, tumanggi ang Department of Budget and Management (DBM) sa panukalang magkaroon ng line item na mahigit kalahating bilyong (562 milyong piso) para sa SPED. Sa halip, isinama ang budget nito sa maintenance and other operating expenses

(MOOE) ng departamento. "Kung mabibigyan natin ang mga kabataang may kapansanan ng dekalidad na edukasyon, matutulungan natin silang mahasa ang kanilang mga abilidad upang makapag-ambag sila sa ating lipunan. Ngunit hindi ito magagawa kung kulang ang ating pondo para mabigyan ng kaukulang suporta ang ating mga mag-aaral at guro sa SPED," ani Gatchalian.

Dahil sa kakulangan ng SPED teachers, may mga regular na guro, kabilang ang mga nasa entry level, ang napipilitang magturo sa mga batang may kapansanan kahit na wala silang sapat na kakayahang para gawin ito. Hinaing ng mga gurong ito, hindi pantay ang natatanggap nilang sahod kung ihahambing sa sahod ng mga SPED teachers. Sa ilalim ng Salary Standardization Law 5, ang Teacher I sa public school ay nakakatanggap ng mahigit dalawampu't dalawang libong (22,316) piso kada buwan. Ang mga SPED Teacher I naman ay tumatanggap ng halos tatlumpung libong (29,277) piso kada buwan.

Dahil dito, may ilang mga gurong hindi tumatanggap sa mga mag-aaral na may kapansanan sa kanilang mga klase, paliwanag ni Dr. Therese Bustos, director ng Assessment Curriculum and Technology Research Center ng University of the Philippines. Bagama't nakakalungkot aniya, ito ang reyalidad para sa mga mag-aaral at mga guro sa SPED.

CAVITE ARTS FESTIVAL

In celebration of the National Arts Month, the Provincial Tourism and Cultural Affairs Office (PTCAO) continues to support art events in the province as way of upholding and promoting the artistry and arts culture.

The Alitaptap Artists Village in Barangay Halang, Amadeo hosted for the 3rd time, the art event Paghilom Festival, which carried the theme "20/20 Linaw Tanaw" for almost 600 artists. Its focus mainly is to lead society into a clear 20/20 vision state, and to be able to reflect on what needs to be done for everyone to move forward through art expression.

During the three-day arts camp and festival held on February 6-8, 2020, participants were given opportunities to hone their skills and talent in painting, sculpture, sound art, creative writing, dance, and music.

Workshops, contests and a medical mission entitled Sining Gamutan were also conducted. The outreach project highlighted the event, reaching out to the locals of the host community, with strong ties and spirit of volunteerism shown by medical professionals from the Cavite Medical Society and the University of the East. In addition, organic farming,

yoga and other activities inspired love for environment and resilience for disaster preparedness.

Paghilom Co-convenor Henry Ancanan and the Arts Camp 2020 Project Coordinator Lexter Victorio thanked the Cultural Affairs and Events Division of PTCAO for contributing to the success of the event, citing support of Cavite Governor Jonvic Remulla and Provincial Tourism Officer Rozelle Sangalang to local artists being gathered by Artletics Inc., Pito-pito Art Group, Espasyo Siningdikato, and Cavite Young Writers Association.

A musical concert led by Lolita Carbon, Filipina vocalist of the famous Asin band concluded Paghilom Fest 2020.

The celebration is pursuant to Proclamation No. 683, 1991, declaring February as National Arts Month, underscoring the creative power of arts as a catalyst for change. -- Provincial Tourism and Cultural Affairs Office (PTCAO)

CAVITE TOURISM ON PRIORITIZING SAFETY OF TOURISTS

Sangalang, together with other municipal and city tourism officers recently attended the Briefer for 2019-nCoV conducted by the Department of Tourism Region IV-A under OIC-RD Marites T. Castro through the assistance of the Department of Health-Calabarzon. Held on February 13, 2020 at the NDN Grand Hotel in the City of Sto. Tomas, Batangas, tourism officers and stakeholders in the region were enlightened amid the global health issue, being provided with factual data, correct precautionary measures, health advisories, and travel directives as guide. During the orientation, health professionals from the DOH called out to refrain from sharing unverified information and fake news that can cause the public to panic. Likewise, attending mass gatherings and organizing huge events are highly discouraged as part of the preventive actions. Capping off the event was the presentation of the DOT 2020 Plans and

Programs led by OIC-RD Castro, who also asked for updates from provincial tourism officers present concerning their respective Local Tourism Development Plan. Cavite PTCAO conveyed support to the programs of the DOT on tourism and safety, committing to disseminate the guidelines on nCoV to all tourism enterprises in the province. -- Provincial Tourism and Cultural Affairs Office (PTCAO)
