LRT-1 CAVITE EXTENSION MORE THAN HALFWAY COMPLETE, TRANSPORT DEP'T SAYS

THE Transportation department said the first phase of the Cavite extension project of Light Rail Manila Corp. (LRMC), operator of Light Rail Transit Line 1 (LRT-1), is now more than half complete. "The LRT-1 Cavite Extension Project is now more than halfway to completion of the partial operability section until Sucat Station, as we report an overall progress rate of 51.61% as of Dec. 31," the department said in a statement Monday.

USAID teams up with Cavite-based organization for TB info campaign

TRECE MARTIRES, Cavite Jan. 19 (PIA) -- The United States Agency for International Development (USAID) thru its TB Platforms Projects teams up with the community-based organization, Cavite Positive Action Group (CPAG) The Jch Advocacy, Inc. to roll out a public outreach for TB education in the province this month. With the ongoing health crisis brought by COVID-19, USAID's TB Platforms had continuously collaborated with local government units (LGUs) in

the National Capitol Region (NCR) and other regions particularly in areas with high incidence of Tuberculosis (TB) to provide TB services in hospitals and TB treatment centers, and increase TB case detection and treatment success rates.

The collaboration with CPAG would intensify the TB education campaign with the leadership of CPAG

Cavitex, PRA seek TRB's approval to collect add-on toll for R-1 Expressway

THE Toll Regulatory Board (TRB) said the Cavitex Infrastructure Corp. (CIC) and the Philippine Reclamation Authority (PRA) have both filed a petition "for the approval of add-on agreed toll rate with application for provisional relief" for the Segment 1 (R-1 Expressway) Enhancement of the Manila-Cavite Toll Expressway Project.

TRB Executive Director Abraham P. Sales said in a Jan. 11 notice that "any interested expressway user" can file a "petition to review" within 30 days from the date of its first publication.

In its petition, CIC, the joint venture partner of PRA for the Manila-Cavite Toll Expressway Project, said they are entitled to recover the new investment for the enhancement of R-1 Expressway by way of an "add-on toll rate" as authorized by the Toll Operation Agreement (TOA) executed in 1996.

The enhancement project has two phases covering the construction of an additional lane, about 3.50 kilometers, from R-1 Toll Plaza to MIA Road Intersection; a 1.70-kilometer lane from R-1 Toll Plaza to Las Piñas Bridge; a southbound flyover for the Marina Left Turning Facility; widening from 2x3 to 2x4 lanes for the three mainline bridges along Segment 1; an additional lane for the remaining R-1 mainline carriageway from Las Piñas Bridge to Zapote Interchange; and upgrading of about 300 meters of the existing Pacific Avenue, from Segment 1 to Macapagal Boulevard. The construction cost for Phase 1 is P481.25 million while for Phase 2 is P424.08 million.

The investment is sought to be recovered through a total add-on agreed toll rate of P0.45 per kilometer or P0.20 per kilometer for the completion of Phase 1 and P0.25 per kilometer for the completion of Phase 2, the CIC said. The TRB approved on July 15, 2019, the implementation of an add-on toll rate for Phase 1. Hence, the company currently collects adjusted fees of P25,

P50, and P75 for Class 1, Class 2, and Class 3 vehicles, respectively, for the use of R-1 Expressway.

The company said the second phase of the enhancement project was issued a certificate of substantial completion on Nov. 5 last year. The CIC also noted that the regulator is mandated to issue a notice to start toll collection, which is a requirement before it can operate the completed Phase 2 of the enhancement project. "CIC most respectfully seeks the honorable board's immediate approval to implement the add-on toll rate..., which will result in a total investment recovery of P0.45 per kilometer," the company said. CIC is under Metro Pacific Tollways Corp., the tollway unit of Metro Pacific Investments Corp. (MPIC). MPIC is one of three Philippine units of Hong Kong-based First Pacific Co. Ltd., others being PLDT, Inc. and Philex Mining Corp.

70 percent of the total projected population of 707,604 for 2021 that were targeted for vaccination.

According to Mayor Revilla, the city government will prioritize essential workers and vulnerable groups in its COVID-19 vaccination.

Revilla said the vaccination will initially cover the identified 2,200 city front-

line health care workers; 312 uniformed personnel, 469 Social Workers, 44,471 Senior Citizens, 12,953 Persons with Disability (PWD), 1,388 Persons Deprived of Liberty (PDL) in the city's jail facilities, 1,813 other frontline government workers, 2,618 teachers, 92,525 students, and 85,000 of the indigent population. During

the meeting, different LGUs disclosed that their preferred vaccines developed by companies such as AstraZeneca with its vaccine approved for emergency use and now being administered to health-care workers in the United Kingdom. Others meanwhile said that they will procure vaccines manufactured by drug maker such as John-

son&Johnson, Novavax, Pfizer-BioNTech, and Moderna.

With regards to the private companies in the city, no commitment for the procurement of the vaccines for their employees has been given yet according to the official.

DENR closes illegal open << P1

tional Bureau of Investigation (NBI) – Environmental Crime Division (ECD) closed an illegal open dumpsite in Barangay Sahud Ulan here, Thursday, January 14, 2021

DENR personnel said the six hectare-open dumpsite (OD) situated in a private land owned by Harmony Homes has been issued a Cease and Desist order from the Environmental Management Bureau (EMB) in violation of Republic Act No. 9003, Presidential Decree 1586 and their implementing rules and regulations.

The operation was led by the NBI-ECD with assistance provided from the line bureaus, field offices and partners of DENR namely

from DENR Central Office represented by Antiporda, Environmental Protection and Enforcement Task Force Director Nilo Tamera, National Bureau of Investigation Environmental Crime Division Chief Eric Nuqui, EcoWaste Coalition Zero Waste Campaigner Eloisa Tolentino, Environmental Management Bureau Solid Waste Management Division Chief Maria Delia Valdez, Cavite PENRO Ronita Unlayao, and Cavite Provincial Environmental Management Officer (PEMO) Adan Umipig.

The dumpsite violated the provisions under the RA 9003 which include open dumping, not ensuring segregation of different types of

solid wastes for re-use, recycling and composting; and violating the clean air act as the burning is observed during the operation.

Antiporda wants to close all OD within a year and start adapting to a sanitary landfill (SLF). "An open dumpsite causes adverse impacts to the environment and to its nearby communities. One of its effect is water pollution, this is when the time that the leachate of the solid waste reaches the ground water. This is where we extract our water use for domestic consumption such as drinking, bathing, cleaning, and washing," said Antiporda.

"The dumpsite has been subject of numerous complaints mostly from the local

residents of Suntrust Eco-town Subdivision and nearby areas. We hope that this operation may give serenity to the local residents who suffered from ill effects of illegal act on open dumpsite," he added.

In a report provided by DENR Calabarzon, the open dumpsite was spotted by the PEMO of Cavite on September 23, 2020 via aerial drone shot.

"Full force po tayo dito, tuloy-tuloy ang ating trabaho. We're looking at closing all the open dumpsites within the year. And within the year, makapagpatayo tayo ng mas maraming sanitary landfills, which is the most doable in the meantime," said Antiporda.

to start partial operations by "the end of 2021." Jacqueline S. Gorospe, LRMC's spokesperson, said by phone message that the company and the Transportation department will have "to agree and align on the timelines."

"They are well aware of the possible adjustments given the pandemic works," she added. Ms. Gorospe did not immediately answer when asked if the target date for partial operations could be moved to 2022. The P64.9-billion LRT-1 Cavite

extension project, a public-private partnership (PPP) venture that the National Economic and Development Authority board approved in November 2013, aims to add an 11.7-kilometer Baclaran-Bacoor, Cavite segment to the current 18.1-kilometer train line. The new stretch will have eight stations. The first phase of the extension consists of a seven-kilometer stretch with five stations between the Redemptorist Church area in Baclaran and Dr. Santos Ave. in Parañaque.

The remaining three stations are scheduled for completion in 2022. Once LRT-1's Cavite extension opens to the public, the DoTr expects daily ridership along the entire line to increase to 800,000 passengers from 500,000, and Baclaran-Bacoor travel time to be cut to 25 minutes from up to two hours.

LRMC is the joint venture of Ayala Corp., Metro Pacific Light Rail Corp. and Macquarie Infrastructure Holdings (Philippines) Pte. Ltd. It holds the P65 billion,

32-year PPP contract to operate LRT-1 and build its extension to Cavite. Metro Pacific Investments Corp. is one of three Philippine subsidiaries of Hong Kong's First Pacific Co. Ltd., the others being PLDT, Inc. and Philex Mining Corp. launching of the project dubbed as 'Kusina ng Kalinga' under Gawad Kalinga (GK) on January 10, 2021 at GK Alapan site. The Barangay Nutrition Services (BNS) in partnership with the LGU and Genesis Corporation is targeting 1,000 children from the 38 barangays for the feeding program. Children will be provided with food during lunchtime from Mondays thru Fridays. Mayor Maliksi pointed out that

the project is his administration's goal to control the incidence of malnutrition in the city. "Nakita natin pag stunted ang growth ng mga bata, ang laki ng epekto sa development nila, pag malnourished ang bata nahihirapan din sa pag-aaral," explained Maliksi. (When the children's growth are stunted, it has a tremendous effect on their development, when a kid is malnourished he has difficulty coping up with his

studies.) An intervention at an early age for the proper nutrition is really important said the Mayor.

"Hindi lang basta pagkain, dapat nutritious na pagkain na magsusustena sa kanilang pangangailangang pisikal," Mayor Manny further added. (Not just food, it should be nutritious food that would sustain the body's physical needs.) The project is not just about feeding the children but also enriching

the parents with the knowledge on the preparation of simple yet nutritious foods they could feed their children and the whole family as well. As the program's slogan reads, 'Bayanihan para sa masustansyang kinabukasan!' Mayor Maliksi feels strongly for the project's success because of the cooperation of all the stakeholders in its implementation. (Ruel Francisco/Imus City Information Office)

Winasak ng Bureau of Customs (BOC) ang mga smuggled na sigarilyo at cigarette label-making machines na nagkakahalaga ng P32 milyon, ayon sa ulat ng Philippine News Agency. Batay kay Port of Manila district collector Michael Angelo Vargas nitong Martes, nasamsam ang mga naturang item sa isang pasilidad sa Carmona, Cavite noong nakaraang Huwebes. Maging ang mga materyales na ginagamit sa paggawa ng pekeng seal at label ay sinira ng kanilang ahensya. Samantalang ang mga makina naman ay winasak sa pamamagitan ng pagdurog na nagresulta sa mga ito upang maging scrap metal. Ayon kay Vargas, ang pagkondenang ito ng kanilang ahensya ay pagpapatuloy sa pagsisikap na pigilan ang pagpasok at pagbebenta ng mga smuggled at pekeng sigarilyo sa bansa. Source: PNA

Statement of Sen Risa Hontiveros supporting the passage of the amended Solo Parents Welfare Act of 2000 in the House of Representatives

Napakagandang balita ng pagkakapasa ng mga bagong probisyon ng Solo Parents Welfare Act 2000 sa House of Representatives.

Ngayong naghihikahos pa rin ang ating mga kababayan sa gitna ng krisis, tri-

ple triple ang dinadanas na pasakit ng ating solo parents. As a solo mom myself, I can empathize with the multiple burdens these solo parents carry in the face of a health and economic crisis.

Especially now that mil-

ions of Filipinos are unemployed, single-parent households, compared to those with two adult jobseekers, are at a great disadvantage in the "lottery" for jobs and income sources.

So, I call on my colleagues in the Senate to support the immediate passage of the proposed "Expanded Solo Parents Welfare Act of 2020," co-authored by our Senate President Tito Sotto.

We have already identified this as a priority legislation of the 18th Congress, kaya sa kabila ng napakarami nating agam-agam dahil pandemya, sana ay magbigay ng kapanatagan ang panukalang batas na ito.

Let us be champions for our solo parents and our children. They need the full power and protection of the law now more than ever.

Gatchalian seeks immediate distribution of aid to basic education learners

Senator Win Gatchalian is urging the Department of Education (DepEd) to accelerate the release and distribution of financial aid allotted by the extended Bayanihan to Recover as One Act or Bayanihan 2 (Republic Act 11494) to qualified basic education learners who are facing financial difficulties because of the COVID-19 pandemic.

Gatchalian made this call following the recent release of a P5,000 grant to 54,761 private school students in higher education who have unpaid tuition and miscellaneous fees. The grant was distributed under the Bayanihan 2 for Higher Education Tulong Program (B2HELP) by the Commission on Higher Education (CHED), which had a P300 million allocation.

Bayanihan 2 provides for subsidies and allowances to qualified students in private and public elementary, secondary, and tertiary education whose families are facing financial difficulties following the imposition of quarantine measures and the resulting economic downturn.

These qualified students include those who are not covered by the Department of Social Welfare and Development's Listahanan, the Education Service Contracting (ESC) Program, the Senior High School Voucher Program (SHS VP), and the Tertiary Education Subsidy (TES). Under Bayanihan 2, these subsidies shall be used for unpaid tuition for the school year (SY) 2019-2020 or for payment of tuition fee for SY 2020-2021.

According to the Department of Budget and Management (DBM) website, the Special Allotment Release Order (SARO) authorizing the release of P300 million to DepEd for these subsidies was already approved on December 18, 2020.

"Maraming mga mag-aaral ang matagal nang naghihintay ng tulong pinansyal upang maibsan ang kanilang pangamba pagdating sa mga pangangailangan sa edukasyon. Dapat nating bigyan ng prayoridad ang mabilis na pagpapamahagi ng ayudang ito upang maiparating na natin ang tulong na matagal na nilang hinihintay," said the Chairman of the Senate Committee on Basic Education, Arts and Culture.

On December 29, 2020, President Rodrigo Duterte signed Republic Act No. 11519, which extends the validity of funds under Bayanihan 2.

BOTIKA ON WHEELS GOES TO SILANG: The Provincial Government of Cavite continues its advocacy of providing the basic health needs of the people through the Botika on Wheels program as they visited the municipality of Silang to distribute prescribed medicines and vitamins to the elderlies and children of Barangays Iba and Poblacion 1 to V. On January 15, 2021, the team distributed medicines and vitamins to 493 seniors and off-lotions and vitamins to 768 children in the areas. The Municipal Mayor, Hon. Corie Poblete who was represented by former Mayor Omil Poblete joined the team together with Board Member Ivey Reyes, Barangay Health Workers (BHW), Barangay Nutrition Scholars (BNS) and Barangay officials who assisted in dispensing the medicines and vitamins to the beneficiaries.--PICAD
