Bacoor City's rich history, culture unfolds in book

BOOK ON BACOOOR. The book "Kasaysayan ng Bacoor (1671-1900)", which tells the history of Bacoor City from the Spanish times up to the Philippine-American War, is now available for the city residents' and the public's appreciation. BACOOOR CITY, Cavite -- Thanks to emerging technological breakthroughs, it is now easier for modern-day historians to do research that may eventually lead to the discovery of new and substantial information on past events.

For Bacoor City, history is now beyond its famous marching band, old churches, and Fr. Mariano Gomez – one of the Gomburza trio -- as a new book tells more of what transpired in the city in its yes-

RESILIENT COOPERATIVES TOWARDS BUSINESS CONTINUITY

Strengthening cooperatives in the province through capacity building was the focus of the 7th Cooperative Leaders Conference held on October 25, 2019 at Alta D'Tagaytay in Barangay Iruhin East, Tagaytay City. Sharing the huge success of the event were around 300 cooperative leaders in Cavite who convened as part of this year's coop month celebration banner the theme "Business Continuity: The Next Evolutionary Phase of Business Continuity,"

With a powerful story

of wisdom, Board Member Rommel Enriquez, Sangguniang Panlalawigan Chairperson of the Committee on Cooperatives welcomed guests, resource speakers and participants telling everyone that the future of a cooperative depends on its management. Likewise, Provincial Cooperative Development Council (PCDC) Chairperson, Fr. Arturo Balagat together with PCDC Chairman Emeritus Ka Rodrigo Camia delivered their opening message, with inspiring stories of almost 40 years of dedicated service to

coop highlighting the value of social responsibility while leading the success of cooperatives.

Meanwhile, on behalf of Governor Jonvic Remulla, Provincial Administrator for Community Affairs Mr. Alvin Mojica pledged commitment to the programs of cooperatives and thanked the coop leaders for their continued support through participation to various activities being led by the Provincial Cooperative, Livelihood and Entrepreneurial Development Office (PCLEDO) headed by

Atty. Khervy Reyes. Topics concerning business continuity management and related concepts filled the whole-day event of coop leaders who are very eager to learn and become resilient to achieve their goals.

Prior to the lecture and discussion proper, Cooperative Development Authority (CDA) Region IV-A Director Salvador Valeroso took the opportunity to present the 2018-2022 Philippine Cooperative Development Plan,

Bakit kailangang bashan ng Bibliya ang mga namatay na

INSPIRASYON SA BUHAY: "... Sapagkat si Cristo na walang kasalanan ay namatay nang minsan para sa inyo na mga makasalanan, upang iharap kayo sa Diyos.

Siya'y pinatay sa laman, at muling binuhay sa espiritu. Sa kalagayang ito, nagpunta siya at nangalar sa mga espiritung nakabilanggo..." (1 Pedro 3:18-19, Bibliya).

BAKIT IPINANGARAL NI JESUS ANG SALITA SA MGA NAMATAY NA: Patuloy po nating tinatagalay sa kolum na ito ang isyu ng pangangaral ng Salita ng Diyos sa Bibliya sa mga namatay na.

Nakita natin na may tatlong bahagi ang Bagong Tipan ng Bibliya kung saan maliwanag ang layunin Ni Jesus tungkol sa kaligtasan ng lahat ng tao pagdating sa buhay na walang hanggan.

Hindi maitatangi, nais Ni Jesus, ang ating Diyos at Tagapagligtas na Siyang Diyos Ama, Anak, at Espiritu Santo, na maagaw pa din ang mga tao na naipagkasundo na sa apoy ng impiyerno, kaya't Siya mismo ang nagtungo sa lugar kung saan ikinukulang ang mga espiritu ng mga taong namatay na, at pinangaralan Niya ang mga ito, matapos Siyang mabuhay na muli.

Ang tanong natin kahapon: bakit ba ipinangaral pa ni Jesus ang Salita sa mga patay na? Iisa lamang ang dahilan, sa aking tingin.

Ito ay upang linisin ang mga kaluluwang nakakulong sa lugar na kung tawagin ay kulungan ng mga espiritu, at upang tiyakin pa din ang kanilang pagtungo sa Paraiso sa takdang panahon.

TATLONG BERSIKULO SA BIBLIYA UKOL SA

PANGANGARAL SA MGA NAMATAY NA: Sabi nga sa 1 Pedro 4:6, yun ang dahilan kaya ipinangaral ang Salita kahit sa mga namatay na, gaya ng ginawa Ni Jesus matapos na Siya ay mabuhay na muli, na mababasa naman sa 1 Pedro 3:18-20.

At upang lubos nating maunawaan ang ginawang pangangaral ni Jesus kahit sa mga namatay na, ilabas po natin ang ating mga Bibliya, at sama-sama nating basahin, ngayon na po, ang 1 Pedro 3:18-20.

Ganito po ang nakasulat: "Sapagkat si Cristo na walang kasalanan ay namatay nang minsan para sa inyo na mga makasalanan, upang iharap kayo sa Diyos.

Siya'y pinatay sa laman, at muling binuhay sa espiritu. Sa kalagayang ito, nagpunta siya at nangalar sa mga espiritung nakabilanggo. Sila

ang mga espiritung ayaw sumunod noong matiyagang naghihintay ang Diyos nang panahon ni Noe, habang ginagawa nito ang daong..."

MGA NAMATAY NA, INARALAN DIN NI JESUS: Ang dapat pong bigyan ng matinding pansin sa mga bersikulong ito ay yung nagsasabing "Sa kalagayang ito, nagpunta siya at nangalar sa mga espiritung nakabilanggo..."

Maliwanag ang ibig sabihin nito. ang pinangaralan Ni Jesus ay ang mga espiritu ng mga taong namatay na.

Ang patunay ng Bibliya na mga taong namatay na ang pinangaralan Ni Jesus ay ang pahayag sa sumusunod na mga bersikulo: "Sila ang mga espiritung ayaw sumunod noong matiyagang naghihintay ang Diyos nang panahon ni Noe, habang ginagawa

nito ang daong. "Doon ay iilang tao, walo lamang, ang nakaligtas sa tubig..."

Ano ang ibig sabihin nito? Ipinakita Ni Jesus na pupuwede palang pangaralan pa ang mga namatay na, na ang mga kaluluwa at espiritu ay nakabilanggo sa bilangguan ng mga espiritu, na maliwanag na naghihintay na lamang ng wakas ng mundo at ng paghuhukom.

PANGANGARAL NG SALITA SA MGA NAMATAY NA, LAYONG LINISIN ANG KANILANG MGA KALULUWA: Lumilitaw din, ang pangangaral sa mga kaluluwa o espiritu ng mga taong namatay na ay naglilinis sa kanilang mga kasalanan, at inihahanda

sila para sa buhay na walang hanggan sa paraiso, sa piling ng diyos.

Ito naman ang sinasabi ng 1 Pedro 4:6: "Ipinangaral din ang magandang balita sa mga patay upang bagama't sila'y nahusgahan ayon sa laman gaya ng lahat ng nasa laman, mabubuhay sila sa espiritu sa pamamagitan ng kapangyarihan ng Diyos..." Ano ang ibig sabihin nito?

Ipinakita Ni Jesus na pupuwede palang pangaralan pa ang mga namatay na, na ang mga kaluluwa at espiritu ay nakabilanggo sa bilangguan ng mga espiritu, na maliwanag na naghihintay na lamang ng wakas ng mundo at ng paghuhukom.

teryears. Titled "Kasaysayan ng Bacoor (1671-1900)", the book, authored by Cavite historian and president of the Cavite Historical Society (CHS) Emmanuel Franco Calairo, PhD, tells everything about Bacoor City's rich history and cultural heritage.

In an interview Thursday, Calairo enjoined the public, especially the residents of Bacoor City, to read "Kasaysayan" and find information that are not available in other books.

"It is intended for the

citizens of Bacoor city who would want to discover the colorful history and heroic struggle of their forefathers.

The book will make each Bacooreño proud of (his/her) heritage," he said.

It also presents various primary sources relative to the city's history during the campaign of independence.

"It is a definitive publication on history, based on credible historical research," Calairo noted.

Divided into four parts, the book documents the history of Bacoor City from the Spanish times up to the Philippine-American War.

Conceptualized in 2017,

the book takes the readers to Bacoor when it was just a town during the Spanish occupation and the role it played in various revolts against Spanish rule. The last part of the book discusses the topics presented in the first three parts. Calairo acknowledged the "difficult process"

of writing the book, especially the search for primary sources and piecing historical data together.

He said 80 percent of the book's narrative came from primary sources, while 30 percent were culled from published sources. City Mayor Lani Mercado Revil-

la, together with Calairo and other local officials, officers and members of the Cavite Historical Society, and members of the Local Culture, Arts and Tourism Council, attended the book launch at the SM City Bacoor last September 30. Offered for free, the 326-page book will

be distributed to the city's public and private schools. "Kasaysayan" is the first in a three-book project on the history of Bacoor. The end-point realization, as Calairo put it, was that Bacoor had a very colorful past that needs to be studied by all Bacooreños. (PNA)

BASIC HEALTH CARE SERVICES FOR THE PEOPLE OF GEN. AGUINALDO

In its commitment to provide basic health care services to Caviteños, the provincial government of Cavite thru the Office of the Provincial Governor-Extension and Provincial Health Office visited the municipality of Gen. Aguinaldo for the conduct of a medical and dental mission on October 21, 2019 at the municipal covered court. A total of 350

patients availed free medical consultation while 49 locals had their tooth extracted by volunteer doctors and dentists from General Emilio Aguinaldo Memorial Hospital. Free medicines and vitamins were also given to the patients. The event was supported by the local officials who thanked the governor for continuously providing healthcare services to their

constituents. Also in attendance were the barangay

health workers who assisted in the event. -- (PICAD)

expounding its overview, vision, goals and underlying principles. Also, in his words of encouragement, Director Valeroso shared a famous quote that says, “To accomplish great things, we must not only act, but also dream; not only plan, but also believe,” adding that great coop leaders provide a more conducive coop environment.

Further learnings and motivation were shared by experts on cooperativism including Mr. Bon Ian De La Roca, Asst. VP for Returns of Sorosoro Ibaba Development Cooperative, who also delivered the keynote speech on behalf of AGAP Partylist Representative Rico Geron; Director Diosdado Waña of the Center for Humanitarian Learning and Innovation; and

Mr. Mark Cervantes, a National Disaster Risk Reduction and Climate Change Adaptation Specialist from the Food and Agriculture Organization of the United Nations. The talks helped participants better understand business continuity management to minimize economic losses and stay in the market for the benefit of every member of the coop.

They wanted coop leaders to realize that low organizational leadership capacity equates to higher the risks, thus, the need to have strong internal control mechanism that will win the confidence of members. In addition, General Manager Maria Jenet Avecilla of Bacoor City’s Bagong Silang II Multi-Purpose Cooperative shared their coop’s best practices starting off with their milestone journey. Ms. Avecilla emphasized

how transparency and good record-keeping made them survive challenges, reminding coop leaders like her the value of integrity in handling finances. Words of challenge from the Department of Trade and Industry-Cavite Provincial Director Noly Guevara aptly wrapped up the conference.

Director Guevara asked for every coop leader’s application of the learnings and capacities they have developed in attaining the vision and mission of their respective cooperatives. The event continued with the Gabing KOOParangal 2019, which highlighted cooperative excellence and gave wider

recognition to coop leaders. Among the awards granted were The Most Promising Cooperative, Best in Assets, Best Coop in Micro, Small and Medium-scale Category, Most Diversified, and Most Participative Local Coop Development Officer and other special citations. Cash incentives assistance from Senator Francis Tolentino and Governor Jonvic Remulla served as motivation for cooperatives to do well every year. The AVP message of Cooperative Development Authority Chairman Orlando Ravanera equally inspired coop awardees, congratulating the province’s efforts in developing champion cooperatives. (PICAD)

"It aims to develop partnership with the community, to support and share our mission to maintain a peaceful community for all," CPPO chief, Col. William Segun said in an interview Thursday.

Segun added that a fundamental key to successful law enforcement is a good relationship between the police and the communities they serve.

DOH exec cites more research on newborn screening

GENERAL TRIAS CITY, Cavite -- As the newborn screening (NBS) procedure is still considered new in the country's health system, a Department of Health (DOH) official urged NBS implementers to engage in research to open new leads and discover breakthroughs.

"Pwede nyo gawin yun, we will fund you to do that," (you can do that, we will fund you to do that) said DOH Calabarzon director, Dr. Eduardo C. Janairo in his address before NBS implementers from the region's public and private institutions during the 2nd Regional New Born Screening Awarding Ceremony held at the Bayleaf Hotel here on Tuesday.

He shrugged off the idea that only scientists can do research. "You just have to get a bunch of committed and very passionate people to look into the newborn screening," Janairo said.

Janairo pointed out that findings in whatever studies conducted abroad on NBS may not be applied locally as the Philippines has a different culture, physiology, and laws. He advised the participants to start at the local level by simply comparing or looking for perspective, longitudinal, respective studies or even for a clinical trial, as the NBS only started in the country in 1999. "Yun ang kailangan nating hanapin, all those addresses na nagkaroon ng disorders, boys and girls during those days and see how they went through with the disease that they had, initially identified at ano

FURTHER RESEARCH ON NBS. DOH Calabarzon director, Dr. Eduardo Janairo, urges participants and awardees to engage in research to open new leads and discover breakthroughs, during the 2nd Regional New Born Screening Awards in General Trias City, Cavite on Tuesday (Oct. 22, 2019). NBS, which was introduced in the country in 1999, is a simple procedure where a few drops of blood are taken from the baby's heel and ideally done immediately after 24 hours from birth to find out if a baby has a congenital disorder that may lead to mental retardation or even death if left untreated. ang ginawa nila," he said. (Those are the things that we need to search, the addresses of those who had disorders, boys and girls during those days and see how they went through with the disease that had initially identified and what they did) Janairo likewise asked the participants to check on the relationship or the participation of the traditional complementary and alternative medicine for the care of the newborn, and as they grow old. Citing that the Philippine Institute for Traditional Alternative Healthcare (PITAH) also has funds for research, Janairo said the organization may have modalities that can be used by NBS implementers. He reminded participants that Traditional Complementary and Alternative Medicine (TCAM) uses

natural/organic food and nutrition, in practicing homeopathy (anything at home that we see). "And of course you have all others, the balancing of energy, the balancing of the yin and the yang, the removal of blockade on acupuncture pressure, massage, chiropractic - all these modalities can be used to take care of a child to prevent any ensuing disease that is from the NBS," he stressed. Janairo hopes to include "simple research" among the awarding categories during the 3rd Regional NBS awarding ceremony, with emphasis on what have done in the past or their future findings using TCAM. NBS, a simple procedure where a few drops of blood are taken from the baby's heel and ideally done immediately after 24 hours

from birth, is conducted to find out if a baby has a congenital disorder that may lead to mental retardation or even death if left untreated.

The expanded NBS program increased the screening panel of disorders from six to more than 28. This test is included in the Newborn Care Package, a PhilHealth benefit package for essential health services of the newborn during the first few days of life. Republic Act No 9288, otherwise known as An Act Promulgating a Comprehensive Policy and a National System for Ensuring Newborn Screening, was enacted in 2004. The first week of October of each year was declared as New Born Screening month under Proclamation No. 540 s. 2004. (PNA)
