LIFE'S INSPIRATIONS: "... `If you do not believe that `I am', you will indeed die in your sins'..." (Jesus, our God and Savior who is God the Father, Son, and Holy Spirit, in John 8:24, the Holy Bible).

JAPAN'S HAGIBIS SPAWNS DEATH, DESTRUCTION: "Hagibis"! In Filipino, this word means "speed" and "fast". In Japan today, it means devastating typhoon, killer rains, and rampaging floods, causing death and destruction, in many parts of Tokyo. Suffering the brunt of the typhoon likewise is a place called Fukushima, which experienced the worst nuclear meltdown in the world in 2011.

As of press time, reports say that 15 people have been confirmed dead because of Hagibis in the "land of the rising sun", 140 are said to have been injured, while some 230,000 Japan residents have been forcibly evacuated so as to escape the

wrath of heavy flooding and the expected landslides in many places.

If we pay closer attention here, this is a news that is no longer novel. In many parts of the world, especially in countries which are known to be deserts because of lack of rain (like those in the Middle East), strong rains, surging floods, and howling winds, have been and are happening relentlessly more often.

TYPHOONS LIKE HAGIBIS WERE PREDICTED TO HAPPEN, IN WRITING YET: I will go straight to the point with what I am trying to say here: if all of these are happening, countries and nations should have been prepared by now to enable their people to escape certain death and destruction coming from tragic rains, floods, and winds. You may ask why I am saying this. Well, these calamities have been warned to come already.

Many say that these

## Japan's Hagibis spawns death, destruction

natural tragedies are caused by global warming and climate change. They say that because of global warming and climate change, we are bound to experience harsher and more prolonged rains, more deadly floods, and more devastating winds, in the whole world.

We can of course believe them. But, what I am trying to implore all of us to try to realize is for us to look at other possible reasons why these destructive events are happening at the present time. One of these possibilities we should be looking into is the truth that they were expressly predicted to happen by Jesus, our God and Savior who is God the Father, Son, and Holy Spirit.

JESUS WARNED ABOUT DEADLY RAINS, FLOODS, AND WINDS: The prediction and warning that killer rains, floods, and winds will come, as Jesus said, can be read at Matthew 7:24-27 of the Holy Bible. In these verses, what Jesus said was recorded for posterity:

the rains, floods, and winds, are sure to come. They will cause death and destruction to many.

Only two kinds of people will face the calamitous rains, floods, and winds, Jesus said. The first are those who are said to be "wise"—or those who listen to His Word and obey His commands.

These wise men and women will not perish, nor suffer any form of destruction, even if the rains, floods, and winds come.

The second type of people who will face the rains, floods, and winds, according to Jesus, are the "fools"—or those who do not listen to Him or, even if they do listen to Him, they do not obey Him anyway. These kinds of people will surely die and perish with the arrival of the calamities He warned us all about.

The only question here is simple: you who are reading this, what are you? Wise? Or foolish? Choose, while there is still time.

Pilipino. Bahagi tayo ng makabuluhang kasaysayan. Hindi nakapagtataka na tulad ni Heneral Trias ang isa sa magpapatunay nito na lokal ng bayan na noon ay San Francisco de Malabon (this city witnessed several events and the brave Caviteños had played their great role in the revolution like General Trias for the freedom of each Filipino. We are part of this significant history. It is not surprising in the likes of General Trias who was one of the proofs in this local town then known as San Francisco de Malabon)," Lim said.

A thanksgiving mass, an evening Serenata of the Marching Bands, and a fireworks display capped the celebration at the city plaza.

The National Historical Commission of the

Philippines also staged the story-telling sessions "Huntahan sa GenTri: Iasan Sangpaksa tungkol sa Buhay, Gawa at Kontribusyon ni Heneral Mariano Trias" on the hero's life, works and contributions, and the culture among residents last Oct. 8 at the Lyceum of the Philippines University – Gen. Trias campus auditorium.

Other activities to pay homage to Gen. Trias include the On-the-Spot Poster Making titled "Bisita Gilas sa GenTri" and the photo exhibit on Gen. Trias at the Robinson's Place GenTri activity center from October 9-12. There were also commemorative stamps and a biography book on Gen. Trias.

Historical accounts revealed that Gen. Trias was one of the bravest generals of the Katipunan and lead defenders of Cavite against the Spanish colonial forces.

He was considered the first de facto Vice President of the Philippines during the revolutionary government established at the Tejeros Convention under Gen. Emilio Aguinaldo on March 25, 1897.

Trias was born Oct. 12, 1869, to parents Don Balbino Trias and Gabriela Closas in Barangay Bagumbayan here and died of appendectomy on Feb. 22, 1914, at the Philippine General Hospital and was buried in Manila. His remains were later transferred to this town formerly named San Francisco de Malabon.

Six days after Trias' death, then the Philippine Assembly passed Legislative Act No. 2390 changing the town's name to Malabon and six years later on Feb. 24, another Legislative Act No. 2889 was approved, finally renaming the town to General Mariano Trias. (PNA)

The project, built on decades of US' close counter-terrorism cooperation with the Philippine National Police, "is a major step in the deepening of our counter-terrorism partnership," said US Ambassador Sung Kim, who led on Friday the groundbreaking rite along with PNP chief, Gen. Oscar Albayalde.

"This reflects the enduring US commitment to support the Philippines' counter-terrorism efforts and to work together to address threats to peace and security in the whole region," Kim added.

Meanwhile, Albayalde said as terrorism continues to pose a serious threat to the Philippines and across Asia, the RCTTC will empower the Philippine law enforcement personnel in the pursu-

ance of their mission.

"With the RCTTC in place, we hope to be able to keep in step with the latest training methods and technology in fighting terrorism," he said.

The PNP led the signing of a memorandum of understanding (MOU) with the US government, through the support of the US Department of State Anti-Terrorism Assistance (ATA) Program for the construction and operation of a multi-purpose RCTTC last Aug. 15 this year.

The RCTTC will provide a venue for the ATA

counter-terrorism training for PNP units, particularly the Special Action Force (SAF), EOD/K-9 Group, Anti-Cybercrime Group (ACG), Anti-Kidnapping Group (AKG), Aviation Security Group (ASG), Intelligence Group (IG), and Police Security and Protection Group (PSPG).

Other Philippine law enforcement group that will also benefit from the project are the National Bureau of Investigation, Bureau of Immigration, Office for Transport Security, among others. (PNA)

parents and assured the partakers that the administration is in full support of the solo parents' welfare and their children as Special Education Assistance will be given to them.

Meanwhile, Ms. Precyl T. Ramos facilitated the topic "Effective Parenting" and explained the five fingers of life. She elaborated on the issues on how to understand oneself as a person, how to understand better as a person and recognizing one's basic strength as a person. She also emphasized the building/strengthening relationship

with parents and their children. Likewise, Ms. Josefina Rosalin, Executive Manager/Travel & Tours conversed on the topic "Health and Wellness". The speaker provided insights on the dimensions of health and wellness which include emotional, intellectual, physical, economical, environmental, occupational and social. She ended her topic by saying one has to protect and take care of her/himself; be positive, matured enough spiritually, physically, emotionally, socially and psychologically.

In the later part of the program, Mr. Joebert S. Aceo, Youth Development Worker led the team build-

ing activity and imparted the good lessons in team work. Solo parents were divided into 5 groups and did the amazing race. Team Gray bagged the 5th place, Teams Green, Violet, and Pink got the 4th, 3rd and 2nd place respectively while the Team Yellow was declared the over-all champion and got P5,000.00 as their reward. clearing operations in the Cavite province over the

weekend after their validation and assessments on local government units (LGUs) in Cavite province that have complied with President Rodrigo Duterte's directive through the DILG Memorandum Circular No. 2019-121 dated July 29 this year.

Meanwhile, Cavite DILG provincial director El-oisa Rozul said Wednesday the cities of Bacoor got the 95 percent rating; Imus at 96.2 and Cavite City with 92 under the High Compliance rating while Dasmariñas City received only medium compliance rating and low compliance record for Trece Martires City.

In particular, DILG-GenTri local government operations officer Aladdino Calanog said the

city obtained the 93 percent compliance rating while Tagaytay City also got a high compliance rating.

Liga ng mga Barangay (LnB) president Alfredo Ching said: "all the 33 barangay chairpersons in this city are still working to comply to achieve the 100 percent mark."

"We will sustain this campaign to have a clean environment for GenTriseños," Ching said in an interview.

This, after the DILG Undersecretary and Spokesperson Jonathan Malaya, in a statement last Sunday, said the road clearing is now a continuous program of the government and that quarterly validation shall be done by the DILG on all LGUs' clearing operations from now on

until December.

Malaya posed the challenge to all LGUs to sustain the gains they achieved all year-round and for those in the medium and low compliance category to improve on their performance.

For Cavite, the towns of Noveleta got 97 percent while Amadeo and Maragondon each got 95 percent, which is within the High Compliance rating.

DILG officials said a new memorandum circular would be issued on the continuation of the program and the quarterly validation as field officers would be assessing the LGU performance to sustain and improve their performance status. (PNA)
