## Timely data gathering necessary to support GAD programs

GENERAL TRIAS CITY, Cavite Sep. 16 (PIA) – Timely, disaggregate data per locality would help Gender and Development (GAD) focal persons and advocates to know and closely study a specific concern and design an appropriate program to immediately address such, Cavite GAD Focal Person Irene Bencito pointed out during the media forum at the recently concluded 8th Calabarzon Regional Gender and Development Council (RGADC) convention.

“The national government is providing the data every 5 years,” and expecting the local government units (LGUs) to do the data gathering is not feasible due to manpower and monetary constraints, besides it being “a tedious process,” Bencito said.

Bencito added these facts and figures could help provide necessary inputs on a lot of issues and concerns like

GENERAL TRIAS CITY, Cavite – With 16 days more to go before the Sept. 29 deadline, Cavite’s 16 towns and seven cities are now in the homestretch in their respective public road clearing in compliance with President Rodrigo Duterte’s directive to reclaim public roads from private use and remove illegal structures and obstructions.

The Department of the Interior and Local Government Memorandum Circular 2019-121 has imposed the deadline on Sept. 29 for local government units (LGUs) throughout the country.

“I think we will get it before the Sept. 29 deadline by DILG. Most of the residents and business owners already comply with the clearing operations order,” General Trias City Mayor Antonio Ferrer said in an interview.

# Manila Bay clean-up, walang buting idudulot

INSPIRASYON SA BUHAY: "... Kung hindi kayo makikinig sa tinig ng Diyos... at hindi kayo susunod sa Kaniyang mga utos... mangyayari sa inyo ang mga sumpang ito..." (Deuteronomio 28:15, Bibliya).

MANILA BAY CLEAN-UP, WALANG BUTING IDUDULOT: Ewan ko ba kung bakit tila walang unawa ang mga opisyaes ng Maynila na hindi nila kailanman matatapos ang problema ng mga basurang inaanod sa pampang ng Manila Bay sa tuwing lumalakas ang ulan, gaya noong Lunes, Setyembre 16, 2019, kahit na magtatalaga pa sila ng mga kawani na permanente ng magbabantay doon at hahakot sa mga basurang inaanod.

Kasi naman, maliwanag na patuloy na dadating ang bulto-bultong basura sa Manila Bay araw-araw, umulan man o umaraw, at hakutin man ng hakutin ang mga ito, dadagsa at dadagsa pa din ang mga dumi sa pampang. Sayang lamang yung oras, pagod, at gastos sa mga ta-

ong naghahakot ng basura doon, kasi hindi naman talaga malilinis ang nasabing coastline. Walang buting idudulot ang anumang Manila Bay clean-up, noon at ngayon.

Bakit nga ba kasi walang tigil ang dating basura? Kasi wala ding tigil ang walang habas na pagtatapon ng kanilang mga dumi ang mga mamamayang nakatira sa Maynila, at sa mga kalapit na lunsod at bayan. Dahil diyan, kung nais talaga nating linsin ang pampang ng Manila Bay, turuan natin ang ating mga kababayan na mag-asal-tao pagdating sa kanilang mga basura.

ASAL-HAOP ANG TAO PAGDATING SA KANILANG MGA BASURA: Sa ngayon kasi, sa totoo lang, asal-hayop ang maraming Pilipino pagdating sa kanilang mga dumi, kalat, at basura. Tapon dito, tapon doon. Di na baling maging kalat ang kanilang mga itina-pon, basta ang mahalaga sa marami sa kanila, naitapon nila sa labas ng bahay nila ang mga basura.

Ang tanong lang siyempre dito ay ito: bakit ba ganito na ang ugali at kalakaran sa maraming Pilipino sa ngayon? Ang sagot: wala na silang pakialam sa kapakanan ng kanilang kapwa, at ang mahalaga na lamang sa kanila ay ang kanilang pansariling kapakanan at ang kapakanan ng kanilang mga mahal sa buhay.

Kumbaga, marami ng mga Pilipino sa ngayon ang hindi na nakaka-alaala na ang pagiging makasarili nila ay tuwirang paglabag sa isang mahalagang utos ni Jesus, ang ating Diyos at Tagapagligtas, na nagsasabing "mahalin mo ang iyong kapwa tulad ng pagmamahal mo sa iyong sarili."

HINDI SAPAT ANG PANALANGIN O PANANAMPALATAYA LAMANG: Paanong nawala na sa alaala ng mga Pilipino ang mga utos ng Diyos at Tagapagligtas na ang Pangalan ay Jesus? Kasi, hindi na sila nagbibigay ng oras upang pakinggan ang Kaniyang Tinig

na nagmumula sa Bibliya. At dahil hindi na natin pinakinggan ang tinig ng Diyos na nagmumula sa Bibliya, hindi na din natin nasusunod ang Kaniyang mga utos.

Nakalimutan na natin na ang mga pangako ng Diyos na magiging masagana at matagumpay ang buhay ay may mga kondisyon na dapat malaman at tuparin ng mga tao. Hindi na rin natin nauunawaan na kung hindi natin tutuparin ang mga kondisyon ng Diyos upang maibaba Niya ang Kaniyang pagpapala, paggabay, at proteksiyon, hindi nga natin makakamtan ang mga biyayang ito. Nabulag tayo ng kaaway ng Diyos na hindi na natin kailangang basahin, pag-aralan, at sundin ang Kaniyang Bibliya, kasi Siya naman ay mapagmahal, at handang magbibigay ng Kaniyang mga pagpapala basta tayo ay nananalangin at may pananampalataya sa Kaniya. Nalinlang tayo ng kaaway ssa bagay na ito, kasi hindi sapat ang panalangin o pananampalataya lamang.

Director Eduardo C. Janairo said on Tuesday.

Janairo said the first batch of the Revised Family Planning Competency-Based Training (FPCBT) held in Quezon City from Sept. 9 to 13, is pre-requisite to im-

prove the skills of all health care providers particularly the newly-hired nurses and midwives assigned in remote barangays.

"They serve as the first point of contact for patients and families when scheduling appointments, coordinating patient follow up, and arranging transportation for patients to and from the near-

est health facilities," he said.

Prioritizing health workers of RHUs from island communities will also help attain and sustain "Zero Unmet Need for Modern Family Planning" as mandated by Executive Order No. 12 signed by President Rodrigo Duterte in 2017.

A total of 42 rural nurses and midwives from Quezon province, including Polillo Island, comprised the first batch of trainees.

Maria Luisa M. Malana, outcome manager for family planning and gender and development, emphasized that child spacing and the choice of contraceptive method is the decision of the couple.

"Our role is to educate them and provide them the proper information regarding their choice of family planning method. And it is the duty of frontline health workers to give them the essential knowledge and ensure that these are fully understood," Malana told the health workers.

Calabarzon ranked No. 16 among the regions with contraceptive prevalence rate (CPR) with Cavite having the highest CPR at 81.53%, followed by Quezon (77.90%), Laguna (53.27%), Batangas (40.08%), and Rizal (33.77%). Among the top three family planning methods commonly used are pills, injectables and bilateral tubal ligation. (PNA)

This city's clearing operations also received the support from 33 village chiefs through the Liga ng Barangay (LnB) Federation president Alfred Ching for the city-wide information dissemination campaign and actual cleanups.

"I am grateful to those who have already followed the DILG order," Ferrer said.

The city's clearing operations covered busy stretch of the Antero Soriano Highway from Bacao to Tejero; Tejero Crossing, Tejero-San Juan Road, Malabon Trias proper; Gen. Antonio Road from Bacao to Dulong Bayan to Brgy. 96th, Governor Ferrer Drive from Barangay Prinza to Manggahan, Crisanto delos Reyes Avenue from Manggahan to Alingaro, Governor's Drive from San Francisco to Manggahan, up to the boundary at Trece Martires City.

### This is Not just a Material World

Eat, savor all the food and delicacies we want on nutrition exhibits, festivals, fora name it everything is there to satiate crave and desire to be fill the stomach. Many of us never realized that is an event which exist in this world more than any festivities that we celebrate. Kids enjoy life especially when they are being fed and brought to famous food chains that they like most. Praying for days that they would be preferring activities leading them to Holyness thru the Mercy of the Lord's Precious Blood.

BLOOD OF SUCH PRICE? Well, not really. That Blood is priceless. If this month we usually engage ourselves into nutrition month's activities, better be aware that this month is dedicated to the Most

Precious Blood of Jesus by Pope St. Pius X, 1914. This Blood nourishes our soul as nutritions are to the body. Nevertheless, it's the nourishment we need for our salvation. Why honor the Precious Blood? Because it is "the living symbol of the Redemption and of the Savior's death on the cross. . . It is an integral part of Christ who is really present in the Blessed Sacrament" ( cf. modern Catholic dictionary, John Hardon). More clearly, the Doctor of the Eucharist, St. John Chrysostom taught: "This Blood is the salvation of our souls; by it the soul is cleansed; by it, beautified; by it, inflamed... This Blood has been poured forth and has opened the way to heaven." Ergo, of all the nutrients we need, the Most Precious Blood of Jesus which we receive in the Holy Eucharist is the One we vitally need so we may be truly fulfilled. It is the priceless Blood which liberated us from the shackles of sin and death. Realize, then, that it is your body, blood and soul which have become into such price that the PRECIOUS BLOOD ALONE CAN BE YOUR RANSOM PRICE. Together with the Lord's precious blood the Holy body of Christ is being offered during the mass.

Praying that everybody will be enlightened with this information we have shared. -DrDLR with Sr.Ma.Jocelyn C. Aguilar, SITH-

Governor's Drive and the town proper's main road, assisted by the local police and the clearing task force.

Tagaytay City Mayor Agnes Tolentino also ordered the 34 village chiefs to place "No Parking" signs on the city's major thoroughfares, including the removal of illegal structures on sidewalks.

In Amadeo town, some 26 village chiefs and their clearing operations team also removed electric posts and tree obstructions upon instructions from Mayor Redel Dionisio who also ordered the upkeep of the town's main Crisanto delos Reyes Avenue.

Meanwhile, Cavite's western coastal town of Noveleta Mayor Dino Reyes Chua admitted he has to work until midnight to monitor the clearing operations along the Antero

Soriano Highway going to Cavite City.

He has been supervising the removal of electric posts obstructing the main highway because these posts that pose risks and hazards to motorists and vehicles, have to be removed after the road-widening projects.

He thanked the town's 16 village leaders for taking the lead to clean their respective areas and responding to constituents' reports on illegal obstructions that need to be removed.

Officials of the cities of Imus, Bacoor, Dasmariñas, Cavite, Trece Martires and the towns of Kawit, Rosario, Naic, Maragondon, Ternate, Magallanes, Bailen, Alfonso, Indang, Mendez, Gen. Mariano Alvarez and Silang confirmed that they are now in the final stages of clearing operations in their respective areas. (PNA)

Ganito katapat ang pahayag Ni DOST Sec.Fortunato Tanseco Dela Peña sa kanyang pagharap sa local at national media. Dinagsa dito ang Kalihim ng tambak na tanong gaya ng higit pang pagpapatagal ng shelf life ng bagnet ng Ilocos,moron ng Tacloban,longganisa ng Vigan at iba pang pambatong produkto sa iba't ibang lalawigan ng bansa. Bilang ayuda sa mga naging kasagutan ni Kalihim Dela Peña, idinagdag Ni RD Armando Ganal na kabilang sa mga pinagtuunan ng Small Enterprises Technology Upgrading Program (SET-UP) sa unang Rehiyon ay ang mas matatag na produksiyon ng mga highly valued products na nabanggit. Ang tanong naman mula sa mga karaniwang mamamayan sa mga dahilang nasa likod ng pagtataas ng mga storm signal,na idinaan sa inquiry ng isang local media ay unang ipinaliwanag ni Sec. Dela Peña. Answering the questions, What lure the Filipinos to Work abroad, Are you Qualified, What it takes to become an OFW, What will you leave and miss and the pros and cons of working overseas. He also mentioned the challenges of being OFs that in order to survive, OFWs must be able to successfully adapt and adjust to the culture, working condition and environment of the host country. Failure to do so may lead to premature

termination of contract and an abrupt end to their search for better opportunity.

He also conveyed the programs and services being offered by the Overseas Workers Welfare Administration (OWWA) such as Social Benefits Program, Education and Trainings Assistance Program, Workers Welfare Assistance Program and Social and Family Welfare Services.
