

MoveMINT Dance Company 2026–2027

Being a MoveMINT Company Dancer is full of rewarding life lessons & experiences. Our Company Directors will work hard with each company this season. They will focus on teaching proper dance technique, performance skills, and instilling a solid work ethic. These are qualities that dancers can carry into their everyday lives.

Attendance

Regular attendance in both classes and rehearsals is pivotal for the team's success as a whole and for optimal growth as an individual. Dancers are permitted 2 excused absences from technique classes and 2 excused absences from rehearsals per semester.

Please note that "excused" means a director has been communicated with ahead of time for approval. If the dancer fails to communicate appropriately or is absent from more than the allotted amount per semester, his/her spot on the team may be jeopardized.

Attendance at ALL competition and convention events (call time, performances, classes and awards) are mandatory for all dancers attending the event.

Additional Learning

We are proud to offer additional learning opportunities for our dancers, IN HOUSE through master classes, guest artists, and more.

Competitions & Conventions

MoveMINT Dance Company will compete at 3 local competitions and attend 2 conventions, (+1 optional convention) as well as perform in a company-only spring show, and in our annual Spring Concerts in May. Dance conventions provide 2–3 days of intense training with experienced dance professionals. They offer a fast-paced learning environment with numerous dancers from around the metroplex. This year we are excited to host an in-house convention – offering training from master teachers in a smaller, more intimate setting with our convention dancers. Different years may present different opportunities such as performances in the community as well as training at a variety of conventions and competitions.

*** Tinies, Bitties, and Minis will only compete at competitions, not conventions.

Commitment

MoveMINT Dance Company dancers are making a year-long commitment to the Company Directors, as well as their teammates. By auditioning for MoveMINT Dance Company, you understand the financial and time commitment required. Parents and dancers are required to sign a contract acknowledging this commitment. Bonding events will be sprinkled in throughout the year, like a holiday or year-end banquet.

Solo/ Duet/ Trio Opportunities

Solos/Duets/Trios may be available after at least one year on MDC, by approval only. Dancers are not allowed to perform additional routines without competing in group dances. Group dances are always the first priority for all dancers. Solo/Duet/Trio requests must be made by July 3rd.

It is always left to the discretion of the directors as to whether or not you are ready to compete your solo/duet/trio. All solo/duo/trio participants must take the **recommended** classes in addition to the required classes for their team.

Choreography must be completed and set by the end of October. In November, all solos/duets/trios will perform for the directors through a “quality check”. If approved, the dances can compete at upcoming competitions/conventions. If not approved, next step options will be discussed with the dancer.

Solo/ duet/ trio cost: Choreography plus 3 hours of rehearsal: \$500. Any additional private rehearsals will follow the studio's private pricing. Please note that opting to do a solo/duet/trio results in additional competition fees, ranging \$75–\$180/competition, and a \$125 costume fee.

Additional rehearsals must be scheduled closer to performance dates to ensure pieces are stage-ready. These rehearsals will be treated as private lessons and rehearsal fees will apply – \$50 for 30 minutes, and \$75 for an hour.

Venmo is always preferred for payment. Payments are made directly to your choreographer.

All dancers/parents will be responsible for scheduling privates with their choreographer or one of the Company Directors. These rehearsals will primarily be available on the weekends.

If your account becomes outstanding, you will not be allowed to continue with privates for a solo/duet/trio or be entered into competitions.

Fundraising Opportunities

Every year our fundraising opportunities change based on the interest and participation of families. Last year we offered some individual fundraising opportunities, as well as some group fundraising efforts. Our committee is looking forward to offering these optional opportunities to MDC families again next season.

While we are still planning our fundraising calendar for next season, some optional opportunities in the past included:

- Dance clothes resale**
- Tamale fundraiser**
- Calendar fundraiser**
- MDC Yard signs**
- Mahjong and Mingle Moms Night**
- Vendor tables supporting MDC at Nutcracker and Recital**

Last season's group fundraising efforts raised money to feed the entire company at our company show weekend, and helped fund additional fundraising efforts.
