## *February 27th– April 30th: Costume Distribution*

Costumes were distributed this spring if your family account balance is zero and paid in full (excluding future charges). We do have some exchanges arriving later than others. Please be patient as we prep costumes and checklists for distribution. If you have not received your costume and have not heard about an exchange, feel free to email [hailey@studioofmovemint.com](mailto:hailey@studioofmovemint.com) to check on your costume status.

\*\*\*Please review your costume checklist that is attached to your child's costume upon receipt for hair/makeup needs and necessary accessories. Some costumes come with accessories that we will NOT be using, but we send them home with you regardless. We will send out examples of makeup and hair! The picture on your costume sheet is simply to help know what the costume is supposed to look like. If the dancer in the picture has a ponytail, hair down, etc - please disregard! Follow the written instructions for hair and makeup requirements. \*\*\*

Costume care: Hang your tutus upside down to help fluff them. Many tutus also come with tulle layers that can be separated to add more fluff. You may also steam them! Please keep them covered when traveling to protect them from rain, etc.

## *May 10<sup>th</sup> – 16<sup>th</sup> Dress Rehearsal Week*

All classes will participate in a dress rehearsal at the studio during their normal class times\*. Please have your dancer arrive in costume with hair and makeup completed. Dancers will perform in the LAB (the big studio) without the help of the mirrors, practicing their entrances and exits. Please keep it to 2 guests per student. Schedule and details to come. Bring your cameras!

*\*There are a few exceptions. Students performing with another class will receive an email with detailed instructions pertaining to their allocated dress rehearsal dates and times. This is important for those dancers to be successful. Please come to the correct time!*

### *Dancer Drop Off and Pick Up Procedures*

Upon arrival, please park in front of the theatre. You will enter the main entrance and find signage for dancer drop off to the right of the entrance. \*\*\*

One parent representative will need to find the security check in station. **Dancers must come ready for their first dance.** Dancers must be dropped off at the top of the act they perform in (ie: if your dancer is in the first act, they need to be dropped before the show; if they are only in the second act, they need to be dropped off at intermission). Parents will stop at the dancer check in, receive a wristband with their child's name, and the dancer will be sent to their class area where faculty and assistants will take care of them. Boys will have their own assigned dressing room. Parents are then encouraged and able to go and view our recital vendors before the theatre doors open. Signage will be at the event for assistance. *Please* take your tiny dancers to the restroom before dropping them off.

After your dancer has danced in their final dance, please head back to the security station to show your wristband and pick up your dancer. We would love for you to finish watching the show! There are loads of fun surprises. If your dancer is only in the second act and checked in, they can sit and watch the first act before being dropped off at intermission. If your dancer wants to watch any part of the recital and take up a seat, you must purchase a ticket to reserve their seat.

### *FAQ*

Can my child watch some of the show?

*Yes! Please! If your child is watching any part of the show, you must purchase a ticket to reserve their seat. If they are only in the first act, they can join you at intermission. If they perform in the second act- have them head back at intermission. Please be mindful we are limiting the amount of parents backstage for NUMEROUS reasons- to minimize traffic, distractions, and toddler meltdowns! Please visit with faculty to check them in or out regardless.*

Can we leave after my dancer performs?

*Yes. But please don't. We have exciting stuff planned for your babes and we don't want them OR you to miss a thing.*

### *Cast Party*

We invite our dancers and families to stick around and celebrate *Legendary!*

Our recital vendors will be in the main lobby. We invite you to celebrate **in the lobby** after the show so we can prepare for the next show. Don't miss out on the fun! Feel free to visit with our vendors on site and partake in the merriMINT that follows the production.
