Dancers should be dropped off at our **main lobby entrance** at the start of their class time wearing their recital costume, any required tights or accessories, and full hair and makeup. All of these details can be found on the half sheet that came with their costume. Each class will gather in Studio Move for a class photo and dance run through before performing in The Lab at their assigned time.

With four studios/consecutive classes in each time slot, we are not able to stay within the regularly scheduled 45 minute window all classes. **Any classes denoted with an asterisk are outside of their normal class times.** We promise we do everything we can to keep your performance time as close to your class time as we can.

Dancers that are performing with a different class on stage will have their dress rehearsal with their new class, confirmed via email. They are not expected to go to their normal class dress rehearsal.

In a valiant effort to protect our space: **NO FOOD AND DRINKS** in the building this week. We'll have 1,000+ guests in our building this week - please keep F & B at home. Thanks for your cooperation!

Conditioning classes will NOT meet during dress rehearsal week. Enjoy a well-deserved week off! Only MDC Teen and Senior teams will rehearse. All other MDC rehearsals are canceled.
