## BALLET

Ballet dress code is designed to allow the teacher to see the visual "line" of the dancer. All ballet students should wear tights underneath their leotard. Dancers of color may choose to wear a traditional ballet pink tight or a flesh-toned tight to match the natural skin tone. For all students, tights and shoes should match. The Dance Shop can assist with matching tights and shoes.

- Solid colored leotard
- Ballet tights (we suggest Capezio #1916C or #1916 in Ballet Pink, Toasted Almond, Mocha, or Java)
- Ballet shoes (We suggest SoDanca #SD16 in Light Pink, Mocha or Nude or Bloch #SO205G in Pink)
- Hair secured in a ballet bun (helpful video linked here)
- Dancers may wear a ballet skirt or bike shorts over their leotard. Dancers may NOT wear tutus or athletic/loose fitting shorts over their leotard.

*Dancers taking another class before or after ballet will not have time to completely change clothes, so they will need attire they can wear over their ballet clothes. It is extremely important that dancers are on time to each class, so changing attire completely will not be permitted. We recommend purchasing "transition" ballet tights for this purpose.*
