Dancer Drop Off and Pick Up Procedures

Upon arrival, please park in front of the school. You do not need to access the theatre from the main doors to the school. The theatre has a separate entrance. To the right of the theatre entrance, you will see a door for backstage access and dancer drop off.

One parent representative will need to head through the backstage entrance and find the security check in station. Dancers will come ready for their first dance. Parents will stop at the dancer check in, receive a wristband with their child's name, and the dancer will be sent to their class area where a backstage representative/faculty will take care of them. If your dancer has more than one dance, they will be assigned a dressing room. The boys will have their own dressing room. Parents are then encouraged and able to go and view our recital vendors in the lobby before theatre doors open. Signage will be at the event for assistance. Please take your tiny dancers to the restroom before dropping them off.

After your dancer has danced in their final dance, please head back to the security station to show your wristband and pick up your dancer. We would love for you to finish watching the show! There are loads of fun surprises. If your dancer is only in the second act and checked in, then they can sit and watch the first act before being dropped off at intermission. If your dancer wants to watch either act, you must purchase a ticket to reserve their seat.

FAQ

Can my child watch some of the show?

Yes! Please! If your child is watching any part of the show, you must purchase a ticket to reserve their seat. If they are only in the first act, they can join you at intermission. If they perform in the second act- have them head back at intermission. Please be mindful we are limiting the amount of parents backstage for NUMEROUS reasons- to minimize traffic, distractions, and toddler meltdowns! Please visit with faculty to check them in or out regardless.

Can we leave after my kid performs?

Yes. But please don't. We have exciting stuff planned for your babes and we don't want them OR you to miss a thing.

Backstage Moms/Crew

Calling all helpers! Backstage Moms will be assigned to a group (likely your own child) and is responsible for keeping that group in a holding area until it is time to take them backstage for their performance. Backstage Moms will be granted priority and reserved seating in the front few rows of the auditorium to view their kid's dance(s). Backstage Moms will deliver their group to a faculty member 3 dances before their slotted performance time, can head to that reserved seating in the front few rows to watch their kiddo dance, then will report back to the holding area following the dance to receive the group. You will not be able to hang backstage with your dancer. If your intention is to do so, please volunteer to help. Please email Hailey and Meg to sign up: info@studioofmovemint.com.

Cast Party

We invite our dancers and families to stick around and celebrate *EleMINT!* Don't miss out on the fun. Feel free to visit with our vendors on site and partake in the merriMINT that follows the production. We do ask that if your dancer is in Show A that you kindly vacate by 2:00 PM as we gear up for Show B.
